Administration

THE PRESIDENT Dr. Robert M. Strozier

"To make F. S. U. a great University — this is my aim."

Florida State could not have a more devoted or more dynamic architect than President Strozier. On many occasions the students have heard him express his interest in developing and strengthening the academic status of F. S. U. His contagious enthusiasm has inspired student body and faculty alike to strive for recognition in all phases of university life. Specifically, these include a strong undergraduate program in addition to an outstanding graduate school; artistic achievements, scientific research, a spirited student body, and an atmosphere of intellectual excitement and confidence. In the second year of Dr. Strozier's administration, many concrete manifestations of his hope have occurred.

Inspired by his seriousness of purpose, refreshed by his wit, and channeled by his precise sense of direction, the students and faculty have placed unprecedented confidence in their president. The future looms challenging but surmountable with the guidance of Dr. Strozier.

LeROY COLLINS, Governor, State of Florida

LeRoy Collins became the first Florida candidate for the governorship to win a first primary victory. He was re-elected in 1956 for a four-year term by a record vote, becoming the only Florida governor to be elected for two consecutive terms. His political experience prior to this includes eighteen years of service in the State Legislature.

Under the leadership of Governor Collins, Florida has greatly promoted educational advancement, peaceful uses of nuclear energy and has expanded agricultural and industrial research. The state economy, under his leadership, is growing toward a balance on the "three sturdy legs of industry, agriculture, and tourism."

SCHOOLS

Arts and Sciences

Biology lab is a great assistance to all general education students.

Training is offered for semi-professional programs, including medical technology, guidance counseling and government services; as well as in liberal arts and the sciences. Pre-profession training is provided for the fields of law, medicine, and dentistry. Most recently of programs being offered, is the preparation for engineering science.

All college students have contact with the College of Arts and Sciences as it is the administrator of the general education program required of all students and offers general and liberal training in the humanities, social sciences, and natural sciences.

National, and in some cases, international recognition has been given the College graduate programs. A student may work toward a master's degree in any department of the College and toward the doctor of philosophy degree in eleven of the departments.

FSU Observatory visitors gain much scientific knowledge from the studies made here.

Art major, Helene Sinclair may find art relaxing and enjoyable, but also work.

Lever experiment is administered by Dr. Greenlee in Science Methods course.

Coordination is a great task for this youngster as she struggles with the brush.

Education

The School of Education is the focal point for the preparation of students planning to serve the teaching profession. In this capacity it works closely with other schools in the University and the College of Arts and Sciences in sponsoring workshops, institutes, and conferences. Even before the arrival of the Sputnik Age, great effort was made to strengthen programs of professional preparation. Since then the faculty of the School of Education has redoubled its effort. They have sought and received the wholehearted cooperation of other divisions of the University. Our programs in elementary and early childhood education provide qualified teachers for Florida Schools. The programs for preparing high school teachers have been expanded greatly. A training program for junior-college instructors has been put into operation during the past year. Also, graduate students can now prepare for teaching and administrative positions in colleges and universities.

Student teacher, Betty Henderson, finds that she must spend hours after school to keep up.

Past century costumes are inspected by two Home Economics students in the newly organized collection.

Home Economics

The Home Economics School has gotten off to a fresh start this year with a new Dean, Mrs. Glenn, Ph.D. With a relatively new building, now air-conditioned, and new ideas pooled from various sources, students in Home Economics are enlightened as well as thoroughly educated.

Home Economics is concerned with the well-being of people. Its focus is primarily upon the individual as a family member.

In support of the over-all objectives, Home Economics has evolved education and services which develop and help to maintain abilities or competences needed for the achievement of the broad objectives. These objectives are directed toward the betterment of family life through their direct application in the home and through professional activities outside the home.

An informal and close relationship between the faculty and students is brought about by the types of classes held and the student faculty dinners and teas given throughout the year.

Food and Nutrition majors such as Carol Ulich must learn to measure food weights and values.

The aging process is an important experiment in the Clothing and Textiles laboratory.

Small practice rooms of the music school are usually filled with musicians such as Virginia Hermann, violinist.

Ann Folsom listens attentively while Gary Varnedoe illustrates his piano skills.

Music

The School of Music was established in 1911 and continues to serve the State of Florida as an educational center in the field of music through its dedication to music as a positive social force, by active cooperation with the other divisions of The Florida State University and by striving to uphold a standard of educational output equal to the best in the United States.

The undergraduate program remains the center of the School of Music. The steady increase in the size of the student body places the school near the lead in numbers of music majors in the colleges and universities of the country.

Two doctoral curricula were activated during the past year as part of the Doctor of Music degree program. These represent fields of study frequently requested by advanced graduate students: the Doctor of Music with a Concentration in Vocal Literature.

Opperman Music Hall is the scene of Ray Leibau's piano recital.

Dedication and Perseverance lead the graduate student to higher planes of learning.

Graduate projects such as this one in the Biology department bring us many discoveries.

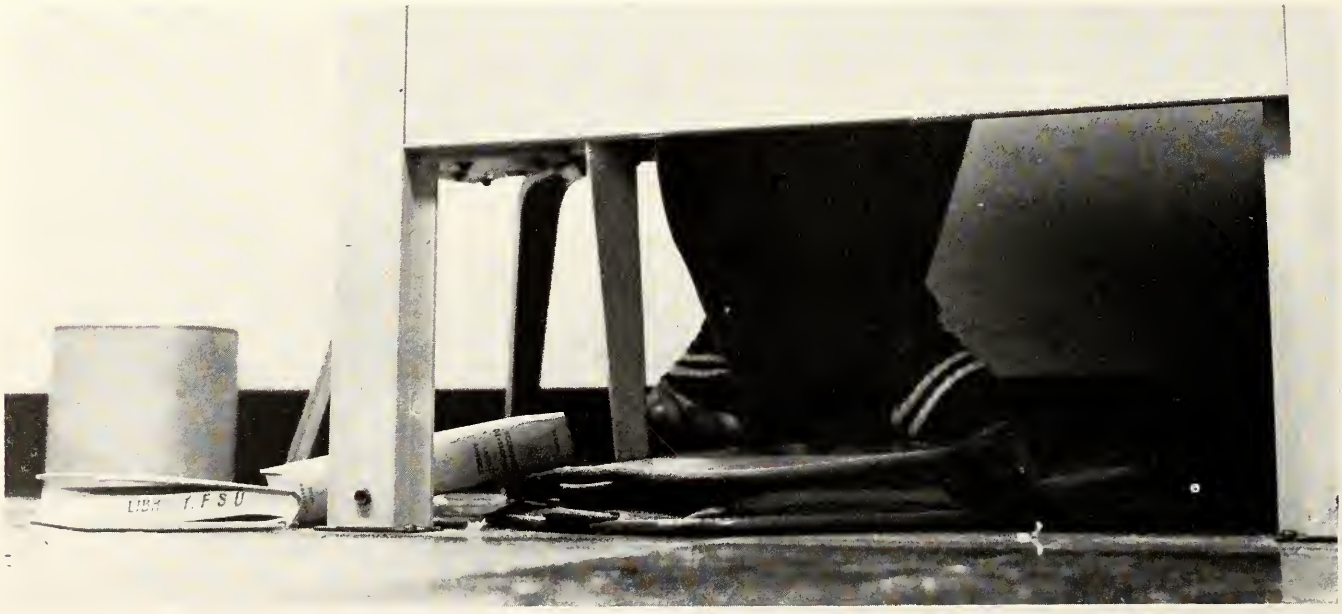
Graduate School

More than 14 per cent of FSU's student body is enrolled in the Graduate School, now the most rapidly expanding division of the University. Master's degrees are offered through all departments of the University except Nursing. New doctoral programs were activated this year in History, Mathematics, and Physical Education.

Graduate Assistantships are available through the various departments and include teaching or research duties along with the formal course of study.

Research being an integral part of graduate education, special facilities are being developed in parallel with the numerical growth of the Graduate School. This year was the first year of operation of a Computing Center utilizing an electronic digital computer. It was also the year in which the first of two particle accelerators was installed for research in nuclear sciences.

Long still hours are spent in the quiet corners of the library by the conscientious grad student.



Audio visual student makes diazo transparencies for use on the overhead projector.

Color overlays are examined closely before finished transparency can be made.

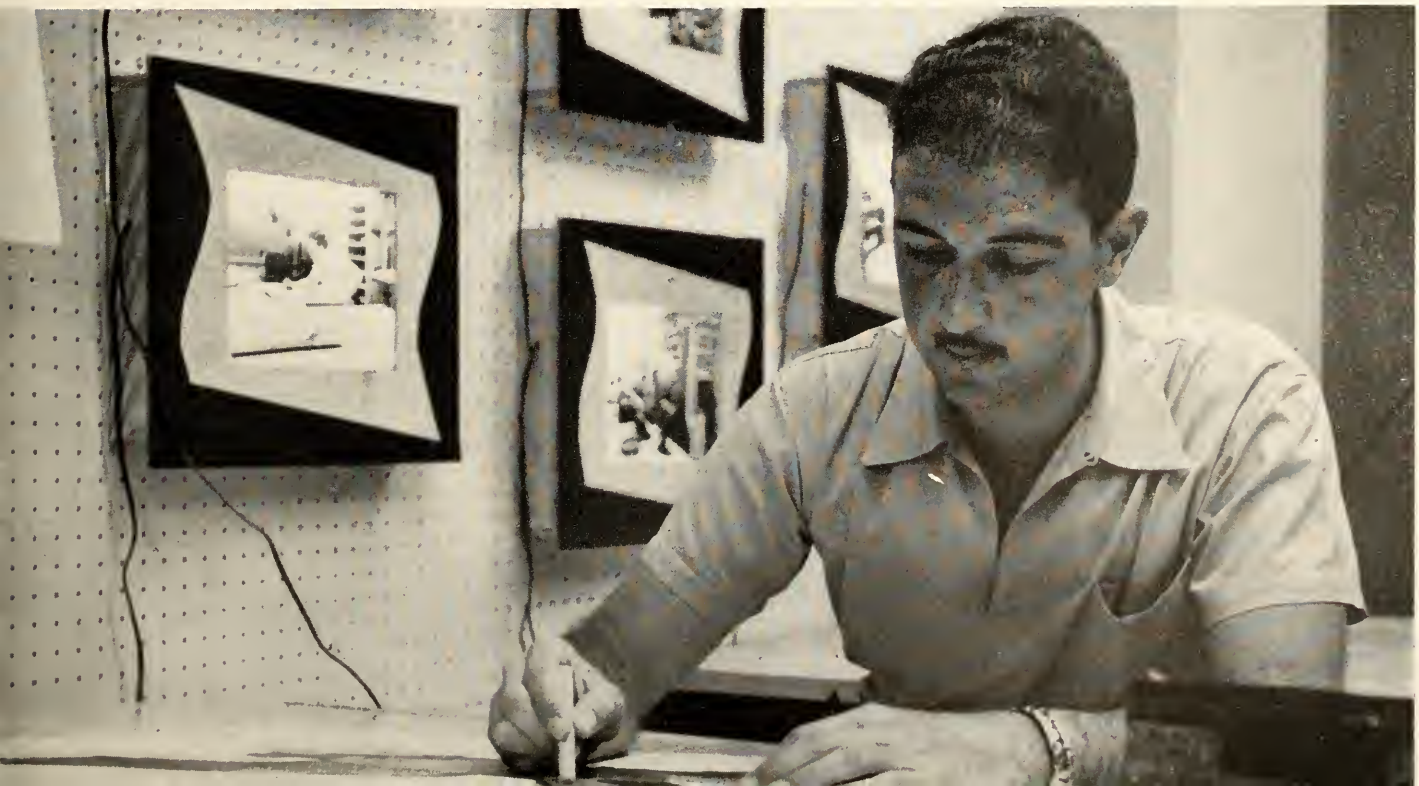
Library Science

The general objectives for the library school are the professional education of librarians for service in all types of libraries; of teachers, school administrators, audio-visual directors and textbook directors for service as materials specialists and supervisors; and the basic education of college students for better use of library resources in study and recreation.

The library building, now two years old, is still a refreshing place for study. The bright classrooms are psychologically helpful for all the students working for a degree.

The School Materials Service Program prepares college graduates for positions in schools and in children's departments of public libraries. It conforms to the standards set up for certification by the State Department of Education.

The Graphics Lab is the scene where this South American librarian and student, Elton Volpini, makes his drawings for audio visual class.

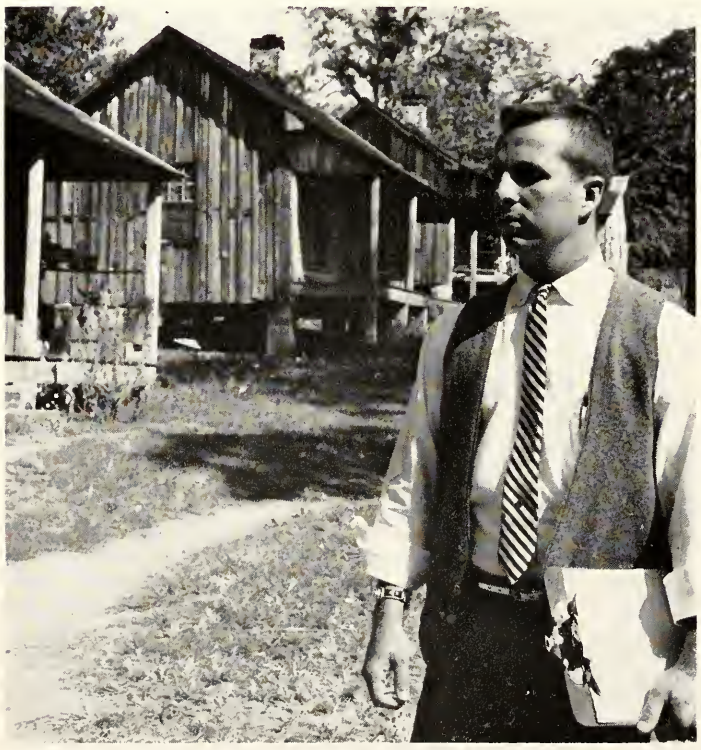


Dr. Leap goes over case records with one of his students.

Social Welfare

Although the same old building of the School of Social Welfare still stands proudly among the newer stronger buildings on campus, there is newness and progress in the School itself. Those preparing for jobs in social work, social welfare, mental health, criminology and penology, and marriage and family counseling are in this program. Many students majoring in social welfare qualify to teach social studies in high school or teach in the elementary grades. The internship program which has just been initiated in recent years is being expanded and greatly improved. This, along with field trips and workshops, is an excellent opportunity for students in Social Welfare to go out into the field and learn from experience.

The Marriage and Family Living division of School offers a number of courses ranging from "Preparation for Marriage" to "Marriage Counseling" that prepare people for choosing mates wisely and for intelligent parenthood.



Shanty Town is inspected by prospective Welfare worker, Paul Perry.

Brownie troops enjoy tour of the Coca-Cola plant with university student in Social Welfare, Judy Taylor.

Gov. Collins and his cabinet holds an open meeting with Public Administration students present.

Public Administration

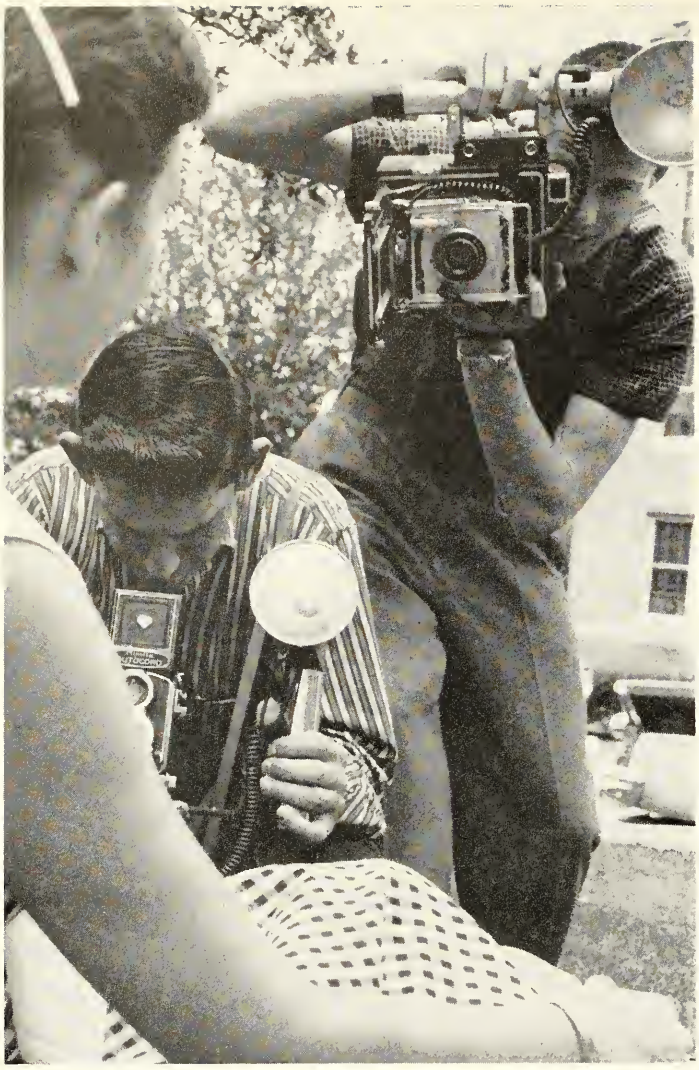
The School of Public Administration has gained wide recognition despite its youth. It draws students from many parts of our nation and from foreign countries.

The objectives of Public Administration are to train those pursuing managerial careers in national, state, or local government; and training in pre-law. These objectives are developed through a program of instruction with a number of pioneer features, including the use of noted government officials in the classroom and an internship program that gives students practical administrative experience.

As administrative skills are vital in a complex society, there is a growing demand for graduates of the School of Public Administration. They are to be found as budget officers, personnel officers, administrative assistants, city managers and in similar positions in the federal, state and local governments.

The state administrative buildings hold a wealth of information for students such as Gail Trapnell, Political Science.

Graduate Seminars in Public Administration are helpful preparation for future employment.



Photography seems to be the most interesting subject for these journalism students Allan David and Warren Gerard.

The rolling of proofs is the process being demonstrated to Nancy Womerby by graduate assistant, George Crutchfield.

Journalism

A great university fosters the comprehensive study of mass media and their freedom. The apostle of science and the advocate of the humanities alike agree that knowledge must be communicated to serve mankind. The man with a true liberal education, therefore, applauds mass media for the indispensable service they perform.

The School of Journalism serves both majors and non-majors, graduates and undergraduates. Its excellent faculty and program have enabled graduates to succeed in newspaper, magazine, television, radio, advertising, and public relations work. Other students have learned to understand the press as a social force in public opinion. The school stresses the interpretation of public affairs and it recognizes that a great university must stress free inquiry in all vital areas of knowledge, including journalism.

The fine points of type setting are learned by students in typography.

Business

"Speed above all" is the motto among typing students in this class.

Strategically located in a rapidly expanding areas of the United States, FSU's School of Business has an eye toward the future. Business is looking for more favorable economic, social and political environments, and projection of economic growth show that business is moving southward. It is estimated that 3,000 new plants with at least one million dollars' investment will decide to build in the South within the next ten years. This growth must be paralleled by competent business management for its success; thus, increasing the need for education in business.

Keeping in stride with the expanding industrial South, the School of Business has an all new building, which offers the business student more up-to-date equipment and material than ever before offered.

Time out between classes finds Bobby Bryson and Richard Jackson relaxing on the steps of the Business Building.

The School of Baking Science helps the university by making cakes, pies and rolls for the cafeteria.

This is good practice for the student nurses, but not much fun for the patient.

Surgery is one of the aspects of the nursing program.

Nursing

Practical, first hand demonstrations are given to student nurses.

The FSU School of Nursing offers two programs; both include the full general education requirements of the University, giving the prospective nurses a solid foundation on which to base their professional education.

The Bachelor of Science in Nursing includes a basic program designed for students with little or no previous education in nursing, and gives them experience in working with hospital patients and with public health work. The Bachelor of Science in Nursing Education prepares those nurses, who are already registered, for leadership in public health teaching, supervision, administration, and other related areas.

Although the first nursing students were not admitted until 1950, graduates already number over one hundred and are to be found in many foreign countries, as well as in the United States.

Drill inspection shows Bob Mier checking a private.

Army ROTC

The Army ROTC offers a student the opportunity to combine his military duties with academic preparation for his future career. Training follows the general Military Science curriculum and consists of two years basic and two years advanced courses. Completion of the program leads to a reserve commission of second lieutenant in any branch of the Army.

Aims of the program are to prepare young men for leadership of command and to develop in them essential knowledge and characteristics of an officer. Subjects common to all branches of the Army are included in the curriculum, such as psychology of leadership, personnel management, military administration, map and aerial photo reading, military operations and logistics, weapons and their uses and the procedures relating to command and staff.

The Globe symbolizes the rapidly moving Air Force in the world today.

Air Force ROTC

The basic objective of the Air Force ROTC unit is to attract the highest type of personnel into the US Air Force and its civilian components.

In the first two years, the cadet becomes able to understand the importance, function and characteristics of air power in the defense of the United States. Advanced cadets continue this training with thirty-five to forty hours of flight instruction during their senior year, depending on qualification tests.

Air Force ROTC provides cadets with many activities, such as the cadet band, drill team, rifle team and newspaper. Those cadets with outstanding scholastic and achievement records are picked for membership in the new Arnold Air Society.

STUDENT GOVERNMENT

Student Government this year started with an emphasis on increased participation in its programs. "Progress through participation" has been the key phrase. A Student Government Retreat was held at the first of the year, giving the various branches of Government; the Executive, the Legislative, and the Judicial, a chance to evaluate their progress and make plans for the year ahead. One of the things that has been improved this year is the Speaker's Bureau, which purpose is to address high school groups as well as Civic Clubs in an effort to advance interest in Florida State University. The Student Lobby Committee spent more time on research to prepare for the 1959 Session of the Legislature. The Student Travel Service, Intramural Program, Housing and Student Artist Series also received the attention of Student Government this year.

As the highest court at Florida State University, Honor Court has a tremendous responsibility to the student body. Its duties include trying cases concerned with lying, cheating, or stealing; cases that involve any infraction of the University Honor Pledge; cases appealed from the lower courts; cases that involve impeachments and questions on the constitutionality of Student Body Statutes.

Honor Court consists of a Chief Justice, a Clerk, and eight court members elected from the Junior and Senior classes. As representatives of the student body, these students must remain entirely impartial in all cases that come before them, and they are bound by honor to protect the students who appear before the court by keeping all matters strictly confidential.

University Court

The University Court consists of a chairman, a secretary, and eighteen members elected from the sophomore, junior, and senior classes.

The members meet as one unit when a case involves both men and women, but are divided into Men's and Women's Judiciary when the case involves only one person.

It is the responsibility of the University Court to see that the students uphold the regulations of the University. The court fosters as awareness and understanding of the rules in effect each year. The jurisdiction of this court is over all cases not otherwise delegated, and over appeals from the House Councils of the dormitories.

Board of Publications

Created in the Fall of 1955, the Board of Student Publications is vested with the authority to require all student publications to conform to the high standards of journalism which Florida State University demands. As it's secondary duty, the Board acts as an instrument through which students can have a voice concerning the operation of their publications. Appointment of publication editors and a business manager of the publications also fall under jurisdiction of the Board of Publications as well as the approval of their respective budgets and financial statements.

Three students are elected yearly to the Board, one of which is elected chairman. There are also two students appointed by the Student Body President and three faculty members appointed by the president of the University. Non-voting members include the editors and a business manager of the publications and the Advisor for Student Publications, Dr. Reid Montgomery.

Flambeau

What's in today's *Flambeau?*" is asked around campus each Tuesday and Friday as FSU's semi-weekly newspaper hits the stands about 9:00 a.m.

What the students read is determined by an assortment of editors, reporters, and columnists who work in organized confusion every "deadline" day to compose a meaningful paper for the following morning.

Flambeau staff members are not well rewarded, either financially or with recognition, for their long work hours, but there is an "esprit de corps" among the editorial staff which is a reward within itself.

The advertising salesmen have finished a real go-getting year which has helped pay over one-third of the *Flambeau's* total costs for 1958-59.

SMOKE SIGNALS

RON HAMM
Editor

Designated loosely sometimes as either a humor or general magazine, but never literary, the *Smoke Signals* tries to struggle out four times a year, and usually manages to meet its deadlines, give or take a month or so.

Dependent largely upon original student talent for its fiction and feature articles, illustrations and photography, the *Smoke Signals* confines its stealing from other magazines strictly to jokes, cartoons, and ideas.

Contrary to some existing popular opinion, some people *do* like the *Smoke Signals*, and even manage to find various and worthwhile uses for it, such as starting fires in the morning, stuffing cracks around leaky windows, and filler for too thin class notebooks.

Faced with possible extermination last year, the *Smoke Signals* has justified budgetary concessions made in its behalf.

TALLY HO

The *Tally Ho* is a record in words and pictures of the academic year at Florida State. Published annually in May, the yearbook is awaited by students anxiously as a tangible recollection of the past year.

This year the *Tally Ho* staff has followed a program of promotion from within; many valuable staff members returned from last year to new and increasingly important positions. Fortunately, past Editor in Chief Evie Morris was on hand for technical advice and general criticism and direction.

In an effort to promote the idea of the potential greatness of F.S.U., the *Tally Ho* has worked hand in hand with important facets of faculty and student body. New policies and achievements are carefully watched for possible incorporation into the broad scope of the *Tally Ho*. Thanks to the strikingly new atmosphere of F.S.U., a wealth of material was provided, both for literary and pictorial treatment.

The people . . . . The Place . . . . The things we do. The *Tally Ho* endeavors to provide for you, the student, a foundation for the memories of your university.

Alone in a world of buttons, knobs and dials.

THE UNIVERSITY Broadcasting Services under the direction of Roy Flynn is the production agency which extends the resources of the Florida State University to the public through radio, TV, and films.

Radio activities include the daily operation of WFSU-FM and the preparation of programs released through commercial stations via the Tape Network. During the past year WFSU-FM increased power from ten to one thousand watts, sending University programs to listeners within a forty mile radius.

Record library holds hours of enjoyment for Tallahassee listeners.

"And this is Carol Poppinger on WFSU-FM, presenting . . ."

WFSU—FM

WFSU—TV

Last minute briefing before broadcast time.

Television production during 1958-59 was concentrated in a closed-circuit teaching experiment. Presently, an application for permission to activate channel 11 is in the preparation to make the non-anticipated WFSU-TV a reality.

Film production included a variety of educational and instructional films produced in cooperation with University departments and state agencies.

Werner Vagt points out ques
to auditioning student.

Mapping out strategy for tomorrows' ROTC meeting.

Men's Dormitory Life

If you are the introversial type that like a quiet, somewhat, intellectual atmosphere you will not like men's dorm life. On the contrary, you have to be able to study under battlefield like conditions, be an ardent rock'n'roller, love practical jokes, and be an ex-gambler from Las Vegas. Also, if you suffer from claustrophobia, you should stay away from the West Hall elevators.

Actually, dorm life is a good experience. There you meet lifelong friends and enemies. You soon are able to head bull sessions and give detailed reports on the television programs. Also, if you desire, you ean participate in intramurals, dorm dances, or Homecoming float building.

"No, this isn't Jennie Murphree."

Adrienne Penan finds History not too bad if you "relax and enjoy it."

Sign in, sign out—all part of the daily ritual.

Women's Dormitory Life

Fresh Flowers, Pink telephones, and wall to wall carpeting in every room? Maid service and breakfast in Bed?

Despite the severe handicap incurred by lack of the above services, many happy Florida State co-eds are housed in the several dormitories on campus. These homes away from home provide friendship, jolly times, and a haven for their inhabitants.

Remember when..... Your one and only date during the week was curtailed at 10:00 because of a house meeting. You decided to retire early and fall onto the pillow, only to be rudely awakened by the harsh shrill of a fire drill. Life reached its lowest ebb ..... Extreme frustration had set in for various reasons — date for the weekend broken; hair falling out because of bad permanent, clothes too snug because of banana split. Departure of roommate for evening of gaity left you one foot deeper in despair and morbid self-contemplation.

But alas, life is not all roses, and what more memorable way to discover this than living in one of the dormitories of F. S. U.

"Mayonnaise, mustard, relish, ketchup, buns, but no hamburger!"

One pot water + heat + coffee = five hours late studying.

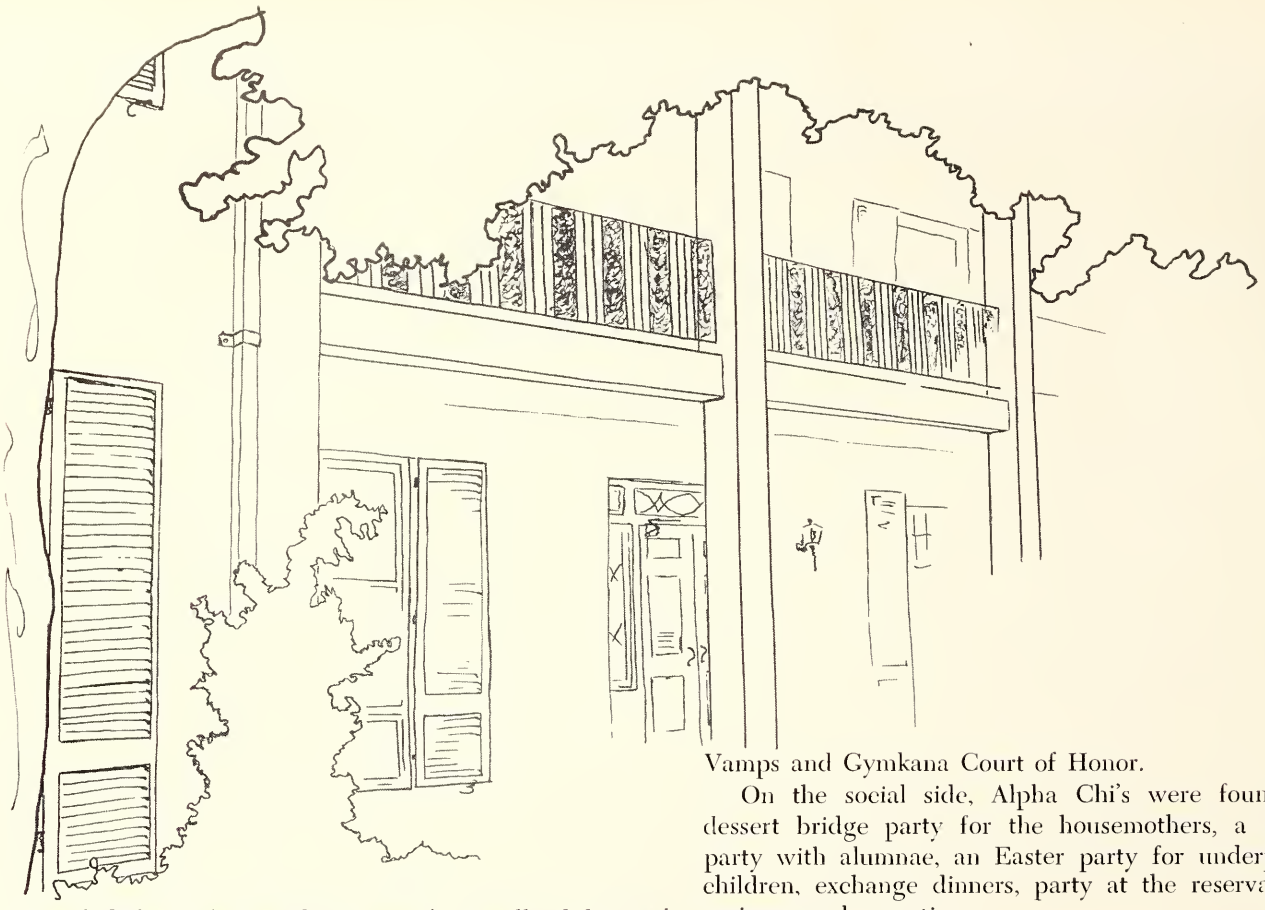
Inter Fraternity Council

The Inter-Fraternity Council governs fraternity activities having to do with rushing, pledging, initiation, and general deportment. Primary emphasis is placed on scholastic achievement, cooperation, and conduct in the best interest of the University.

Each Spring IFC sponsors Greek Week. Panels designed for the promotion of greater understanding of fraternity life and for the sharing of ideas and accomplishments are held. During this week, a banquet honoring fraternity officers is given and athletic events in which all groups participate are staged. Climaxing the week is the Inter-Fraternity Council Formal, at which time the new IFC Queen and her court are announced.



Don't believe the weather reports! It really did snow! There was blue snow in front of the Alpha Chi house this year. All the enthusiastic pledges built a gigantic blue snowman in honor of their actives. This was just one among many Alpha Chi pledge salutes to the actives.

Among the Alpha Chi campus contributions can be listed the Secretary of Pan-Hellenic; the Women's Vice-President; plus members of Mortar Board, Garnet Key, Honor Court, Alpha Lambda Delta, Phi Kappa Phi, Village Vamps and Gymkana Court of Honor.

On the social side, Alpha Chi's were found at the dessert bridge party for the housemothers, a Christmas party with alumnae, an Easter party for underprivileged children, exchange dinners, party at the reservation, and various combo parties.

The Alpha Chi's really seem to be project minded this year. Their work has included toys for the Cerebral Palsy Children; Easter egg tree for the W. T. Edwards Hospital and supporting the Youth For Polio Drive.

The chapter as a whole has also been acclaimed on campus. For they won honorable mention on the homecoming decoration and circus weekend they won the circus weekend Trophy, and took 3rd place for decorations.

ALPHA DELTA PI

Individually as well as collectively Alpha Delta Pi has left its mark on all phases of campus life this year with Social Chairman of the Sophomore Class and members in Village Vamps, Circus, University Singers, Sophomore Council, and Junior Counselors. Also one of their lovelies was chosen as KA Rosebud.

Again Alpha Delta Pi placed in the Homecoming floats, this year with a second—thanks to everfaithful Sam.

The coffee given by Mrs. LeRoy Collins and Alpha Delta Pi alumnae at the Governor's Mansion was quite a thrill for the Alpha Delta Pi's! Other social events were the Founder's Day tea and Alpha Delta Pi weekend.

The Alpha Delta Pi Christmas Spirit was shared this year with a group of underprivileged children. They and the Phi Delta Theta's together gave these kids a wonderful party even up to and including Santa Claus.

The pledge class car wash must have been a successful one for their pledge project for the actives this year was a new TV set!

The Crutches Crew . . . . anyone for basketball? Hey crab, can I borrow your wheels? Familiar echoes heard from all corners of the Alpha Gam house as their members flocked to Student Government, Garnet Key, and women's judiciary meetings. . . . while others attended majorette, gymkana, circus, and band practice for the marching chiefs. Racking up once again, the A. G. D.'s brought home points after points with beauty and talent. Representing them well, their members were found in the Gator Bowl beauty festivities, Who's Who, Tarpon, and Mortified. Alpha Gam's were also found to be the treasurer of the freshman class and the Secretary of Student Events. To help further round out the year's successful festivities, first place in Circus decorations was bestowed upon this vivacious group.

Without the help of Mother Rose, whose thirty years of devotion plus the years she spent as an A.G.D. active herself, the year could not have been the same. Her gentle smile, unending patience and sympathetic understanding were as much a part of the year as the many, many honors and achievements won by the determined Alpha Gam's!

ALPHA OMICRON PI

. . . And soon will have a house! ! This has been a long awaited dream of the Alpha Omicron Pi's and they will at last be able to move in next year. From all appearances it will be well worth the wait.

The Alpha Omicron Pi's have been seen on campus this year, in Sophomore-Council, as Junior Counselors, on off-campus court, in the senate, and on Garnet Key, and Who's Who.

Even though they have been in various dorms on campus this year, they have still been a very active and united group. They sold fruit cake at Thanksgiving and Christmas time for the Civitan Club; made stuffed animals for an orphanage, and Easter baskets for the Tallahassee underprivileged children.

They are not without their beauties by any means. Alpha Omicron Pi has been well represented with a finalist in Miss F.S.U. Contest, Military Ball Queen and runner-up in Miss Panama City Contest.

On the lighter side. There was the retreat to the reservation, weiner roast homecoming weekend, the tea for the patrons and the Christmas party, the pledges gave for the actives.

Have you been reading the *Flambeau* lately. . . . If so you would have undoubtedly noticed that the Alpha XI's have really been making news — There was, of course, Arielou Johnson the new Homecoming Queen of whom every Alpha XI is very proud. Along the same line there were girls in the military ball court and ROTC sponsors, the Delta Tau Delta Queen, and Chi Phi Sweetheart.

It's not all just looks though for when it comes to books and the like, the Alpha XI's are on top here too. Who could complain with two Phi Beta Kappa's, members in Mortar Board, Mortified, and Who's Who, not to mention, Sophomore Counselors, Junior Counselors, a dorm president, and Garnet Key members.

The pledge — active retreat; Alpha XI week-end with the Rose formal; and the Saint and Sinner Combo party are events that the Alpha XI's will long remember. Partying must be just second nature with the "fuzzys" for they are the proud holders of the Hostess of the Year Trophy.

Speaking of trophies they also won the softball and tennis intramurals.

The Alpha XI's are also conscious of helping other people less fortunate than themselves. The annual Delta Tau Delta-Alpha XI Christmas party for the underprivileged and their annual philanthropic project of improving facilities in TB Hospitals both give evidences of this.

CHI OMEGA

"X and a horseshoe, that's us . . ." cheering at football games, speaking in Senate, Gymkana, Circus, dorm officers . . . everywhere Chi O's graced the campus with their smiles and unending work. Chairman of the Homecoming Dance Decorations, social chairman of Jennie, and Bryan, Vice Pres. of Reynolds, you guessed it — all Chi Omegas. All year long the Chi O's maintained their stands in Tarpon, Garnet Key, Judiciary, Who's Who, Cotillion, Theatre dance, and Freshman Flunkies. Also, Chi O's presided as Sec. of the Junior Clerk of the Honor Court and in Sophomore Council. Not only did this determined group excel in leadership but in beauty as well, by taking top honors in the Homecoming Court, and the Citrus Queen Court. To enhance the year's activities the Chi O's celebrated their fiftieth anniversary on the campus with the national president attending the event.

Too, they collected toys for the needy children at Christmas time, worked on a loan scholarship to the University and a most successful spaghetti supper. The Chi O's remained strictly tops as they entertained a year of honors, success, leadership and fun!

Heard around the house —

"Please, my C. do you gave a D. this W.?"

Or, "Anybody for the Hokey Pokey in the front yard?"

TRI DELTS

"Yes . . . '58-59 was an exciting year! As every Tri Delt will agree. Campus activities and events found the Tri Delts bubbling with enthusiasm.

Activities on Campus include Chairman of Traffic Court, Judy Kock; Bryan president, Annette McIntosh and Reynolds Veep, Pat McRae; Garnet Key, Judy Dekle; Alpha Lambda Delta, Marilyn Zibell; Phi Kappa Phi, June Lasseter; and Cheerleading, Judy Turner. Tri Delts were also found in Who's Who, Village Vamps, and Gymkana Court of Honor.

Local Scholarship, one of their main annual profects gave proof of its efforts — with the winning of the National Gamma Alpha Chi Scholarship award by Chris Fisher.

Among the Sorority events always to be remembered was Tri Delt weekend to the theme of "Disneyland," excitement over winning 2nd place Homecoming float, and the Annual Easter-Egg party for alum's children.

Social functions also play an important part. Besides numerous fraternity parties, teas and exchange dinners, the Tri Delt's Christmas party with the Kappa Sigs for underprivileged children was a tremendous success.

"We're just a gay happy singing group." Could the unforgetable serenade by the illustrious seniors (complete with robes, candles) have anything to do with that? ?

DELTA GAMMA

Heads down . . . brake off . . . roll 'em! To a Delta Gamma this was excitement plus, for they were victorious in the annual Soap Box Derby Race. Besides this, the Delta Gamma's excelled in the Gymkana Court of Honor, the Most Beautiful Legs Contest, Village Vamps, Circus, Sophomore and Junior Counselors, Sigma Delta Pi, Alpha Lambda Delta, and Sigma Alpha Eta.

Their national project of Sight Conservation and Aid to the Blind is one that is hard to equal. They accomplish this through helping associations for the prevention of blindness and the aiding of the visually handicapped. Locally they are able to fulfill this project by helping a blind student through school by reading her lessons to her each day. Obviously, this is a job well done, for their student is a Biology curve setter.

On the social side, the DG's have really been busy this year. And with a new house like theirs, who wouldn't be! Delta Gamma's have been seen functioning at their House Dedication followed by a Reception Combo party, Open House and those unforgettable fraternity parties, plus many other social highlights.

There's never a dull moment at the Delta Zeta house as the DZ's had a busy and eventful year.

They contributed their share of members to Garnet Key, Circus, Cotillion, Sophomore Council, Student Party, Collegiate Party, Speaker's Bureau, Debate Team, Junior Counselors (VP of Jennie), Interfaith Council and various religious groups.

On the beauty scene, they graced the Lambda Chi Alpha and Delta Tau Delta courts. Other beauties in the limelight include Kappa Sig Sweetheart, Sigma Chi Derby Queen, KA Rosebud, and Kappa Sig Snowball Queen.

Homecoming found them full of devilment as they displayed their originality and school spirit by creating the "most beautiful float" in the Homecoming parade.

They made themselves heard on campus by taking second place in Campus Sing. DZ claimed members in the University Singers and Women's Glee Club.

Intramurals were not neglected as they successfully captured the over-all intramural trophy.

The DZ's were active and enthusiastic participants in philanthropic endeavors. They have adopted a little French girl as a chapter project.

Who would ever forget . . . the pledge class Freshman Football Banquet . . . Founder's Day . . . Christmas Party for the underprivileged children . . . caroling . . . frat parties . . . and the highlight of the social season — Rose Weekend.

GAMMA PHI BETA

Who are the fashion minded girls on campus? After their lovely style show, "The Heart of Fashion," there is no doubt it must be the Gamma Phi's.

This was only one of the projects the girls of the crescent moon undertook this year though. They also aided a needy family at Christmas, sold poppies for the American Legion, and sponsored two underprivileged children to summer camp.

"Doesn't anyone want to play bridge?" Well, even if they do, it doesn't seem to hinder their active schedule any. Take Nancy Beth Heacock for example, who is in Garnet Key, Mortar Board, and Who's Who; or Pat Wilson, the silver tongued orator, who has won numerous oratory contest and is also a member of Les Jongleurs. Gamma Phi is also represented in Omicron Nu (Home Economics Honorary) and Pi Omicron Pi (Business Honorary).

And what year would be complete without the socializing? Teas, open houses, fraternity parties, the big Gamma Phi weekend in the spring and so forth!!!!! Lots of fun — Lots of memories!

Five Who's Who members, several shiny trophies, twenty-one new initiates, and an assortment of knitting bags, bridge games, and hi-fi records decorate the Theta living room at almost any hour of the day. In addition there may be found several Garnet Keys, the president of various organizations, the Military Ball Queen, two Tarpon plaques, a couple of Fraternity sweethearts, some cheerleaders, and almost enough student government officers to make a quorum.

However there was still room to squeeze in the Sigma Nu's and enough paper and paint to build a Homecoming float and house decorations that took third place. In spite of it all, the vociferous parakeet given the chapter by the graduating seniors found plenty of space in which to exercise his wings.

The Theta migration to Fall Frolics, the combo party and chicken dinner, the "Hut's" first birthday party, and the Friday afternoon trips to the movie dotted the year with laughter and left many happy memories. The Sweetheart song and chicken on Sunday, open arms and a big grin for the mailman, and "Ah---so" were as much a part of the year as the twin-starred kite.

KAPPA DELTA

"I know how ugly I am . . ." and the KD's proved to him just how ugly he really was by winning the annual Ugly Man Contest. But they were also triumphant on the beauty side. Mary Lynn Patterson was chosen as the Sweetheart of Sigma Alpha Epsilon.

Kappa Delta's can also be found tops on campus in SNEA, with Geri Leonhart as President, and the the Flambeau, with Dolores Lafferty as Society Editor; but the list also includes members of Mortar Board, Who's Who, Garnet Key, Village Vamps, Judiciary, Senate, Circus, Tarpon, Gamma Alpha Chi, Kappa Delta Pi, Class Officers, Pi Kappa Phi, Fashion Institute, Phi Mu Epsilon, and Dormitory Officers.

On the lighter side: A tea honoring Mother Fi, the Pledge-Active Trim-the-Tree Christmas Party, the spaghetti supper, and the annual Easter Egg Hunt for the Alum's children.

In various national and local projects the Kappa Delta's can always be found participating. These include contributing to a Crippled Children's Hospital in Richmond, Virginia, selling magazines for the National House Building Fund, and aiding needy families at Christmas and Thanksgiving.

Most beautiful legs on campus — as selected by APO, belong to Phi Mu's Nona Carpenter. Doubtless she has three classes a day in the Education Building to keep in shape like that. (What a hike!)

On campus — Phi Mu's are seen in Sophomore Council, as J.C., and in the Student Party. Is circus a prerequisite for membership in Phi Mu? Maybe not, but it can at least be said that they are *well represented* at the lot. Majoretting, Marching Chiefs, and Tarpon cannot be forgotten.

The Phi Mu's have served their community this year with the Toy Cart at Tallahassee Memorial Hospital and the underprivileged family they sponsored at Thanksgiving and Christmas.

Upmost in each Phi Mu's mind when thinking of 58-59 is the Sigma Kappa Variety Show — and there's no wonder — after all they only won first place!

PI BETA PHI

Guess who is the new Miss Gymkana? You're right! That radiant Pi Phi pledge Jo Elen Eyster. Jo Elen is the fourth Pi Phi in succession to have this honor. But the Pi Phi's also have a long list of honors to add to this. Cynthia Lawrence was selected as the Sigma Chi Sweetheart, and Paula Ruth Edgar as the Sweetheart of ATO. Nan Chamberlain was chosen to be in the Homecoming Court, and Carol Hair and Faye Dunaway are seen in the *Tally-Ho* Beauty Section.

Beauty is not the only phase of campus life in which the Pi Phi's excel. Girls of the Golden Arrow serve as members of Judiciary, Mortar Board, Garnet Key, Class Officers, Alpha Lambda Delta, Student Party Officers, Dorm Officers, Tarpon, Who's Who, Circus, F-Club, Speaker's Bureau, and President of Sophomore Council.

To start off the Pi Phi social whirl, a tea was given in honor of Mother Moody. This was followed by the annual pledge yell in. Sorority retreat at the reservation, and numerous fraternity parties. The big event that is always looked forward to is Pi Phi Weekend, with the big dance and coast party at Panama City.

O.K. Girls — let's get out there and function! Are you serious? We're all engaged! !

Anyone care to start an "Ode of the Month Club?"

De dum - - - - - - , de dum - - - - - - - - . No, this isn't the 103rd measure of the Viking song, but it's part of that unforgetable Sigma Kappa Variety Show where all their vim, vigor, and vitality produced a smash hit.

The Sigma Kappa's also were seen around campus as members of the Senate, Gymkana Court, Collegiate and Student Party officers, and Pi Omega Pi.

Predominant among their honors are the Vice-President of Village Vamps and Vice-Chairman of Student Party, Jackie Soud; and President Cotillion, Patty Mickey; also the Sigma Kappa's and Theta Chi's float was selected the most original; they placed second in the Soap Box Derby.

But they don't really believe in all work and no play as it may seem. The Sigma Kappa's Easter Party with the KA's for underprivileged children is always lots of fun, as is the Christmas party with the Alums. This year they also sponsored a campus-wide Combo Party.

In the line of Beauty, Sigma Kappa's claim Gymkana Princess, Patty Mickey, and Martha Strom, Tally-Ho Beauty Section.

ZETA TAU ALPHA

Well, this is a year the Zeta's won't soon forget—and it's no wonder either! Among their honors are: first places in Homecoming House decorations, Campus sing, and Scholarship. They also were selected outstanding Sorority of the Year.

Even this doesn't seem to be enough to keep everyone busy, though, for you will find Zetas at the Circus lot, in Garnet Key and Mortar Board, on Judiciary and Tally-Ho, in Senate, and as Junior Counselors.

Any beauty queens? Definitely! Take Joyce Combs, for instance, who is on Gymkana and Homecoming Courts, and an Orange Bowl Princess.

The Zetas have been partying it up a little too! Who could forget Zeta Weekend with the dance and trip to the coast or the annual retreat to the Reservation. At the SAE-ZTA Christmas party for underprivileged children they mixed fun with charity.

Speaking of Charity—The Zetas also helped in the support of the Cerebral Palsy Drive this year.

September found the ATO's getting things in shape for the arrival of their new house mother, Mrs. Juanita Geer, whose Georgia accent soon acquired for her the nickname of "Country".

As the year progressed the Tau's took their place in extra-curricular activities with representatives in varsity sports, circus, Church Key, Marching Chiefs, and Arnold Air Society with Bill Byerly, Commander. Student government had Don Reedy, Secretary of Honor; Jim Reeves, Honor Court; Buddy Holley, Mark Calhoun, and Phil Wheiting, Senate; and Earl Perry, IFC Vice-President.

As a service to the student body—and possibly with the ulterior motive of providing terrific entertainment for the ATO's—they brought the Hi-Lo's and Ahmad Jamal to campus. The concert proceeds were used to establish the Bob Crenshaw Scholarship.

Highlighting the year's social functions was the annual Orchid Formal in the spring, at which time the sweetheart was presented. In collaboration with the Delta Gammas, they built their Homecoming float with the theme, "Music to Win By" No prize, but much fun!

DELTA TAU DELTA

When the Delts do something, they do it in a big way. For instance, many went Christmas caroling, but few of us sang "Silent Night" in President Strozier's living room. Many had Christmas parties for children, but only the Delts had the Homecoming Queen read them stories. Finally, their new Sorority of the Year trophy—which is presented at the Panhellenic Dance—is a healthy four and a half feet tall.

The Delt Shelter was the scene of much social activity. Noteworthy was their annual LAST BLAST BEFORE EXAM and the Calypso parties held during Delta Tau Delta Weekend. Charity work was undertaken with zeal also. The Delts sold fruit cakes to Tallahassee residents in conjunction with the Civitan Club and held their annual slave auction to raise money for a charitable cause.

Ranked in the top three fraternities by the Alpha Xi Deltas; in possession of the Phi Eta Sigma Scholarship, Civitan, and Circus Weekend Attendance awards; and boasting a Who's Who member, eight Cavaliers, Men's Judiciary and ODK members, athletes, a Gold Key member, and Marching Chiefs—the Delts are actively extracurricular.

The Southern gentlemen on the hill showered FSU with their traditional hospitality and again were selected the Host of the Year. The flying of the Confederate Flag and keeping chivalry alive has kept the KA's busy, but not too busy to gain recognition for their outstanding contributions to student government and campus organizations. The conclusion of elections found Mattox Hair as Student Body Vice President, Ramon Arnold as President of the Junior Class, and Bill Clendenin as Vice President of Gold Key and ODK.

Their long hours of practice for the Sigma Kappa Variety Show paid off as the "Screw-Ups" staggered off with first place. The KA service projects were undertaken with enthusiasm and altruism by the whole chapter. In addition to the party held for crippled children, they canvassed downtown Tallahassee for the nation-wide Polio Drive.

In some places a "social season" is observed. However, in such matters the KA's throw out their copies of Emily Post and "Holiday" and stage their own social season which is year-round. Highlighting this were the progressive dinner with the Sigma Nu's, KD's, and KAT's, and their annual weekend.

KAPPA SIGMA

As the Kappa Sigs rallied round their totem pole, they proudly received first place trophy for their Homecoming house decorations, "All Eyes on Sammy's New Tee-pee." Again this year the Kappa Sigs led the fraternities in the annual blood drive. Many Christmas presents for the needy were bought from the proceeds of the Gator Wagon Smash-up before the FSU-U of F game.

Kappa Sig faces are well known in such campus activities as Phi Eta Sigma, Alpha Kappa Psi, the ROTC band and drill team, Marching Chiefs, Concert Band, Circus, Gymkana, and varsity athletics. Their socials, as always, were many and varied including the Snowball, Kappa Sig Weekend climaxed by the Black and White Ball, Pledge Cotillion, and the Christmas party for underprivileged children.

Exclusive among the Kappa Sigs are the tsetse fly in Room 1, Cloud 9, and the "happy hogs."

"Out of the mouths of babes come gems" might be used — with a slight stretch of the imagination — in describing this youngest fraternity chapter on campus. Since the Lambda Chi's first pitched their tent among the Seminoles in 1950, great things have happened. Not only does their claim to fame lie in the fact that they are first scholastically among fraternities, but they are also the largest chapter.

Walking away with first prize for their Homecoming float built with the Delta Zeta's, the wearers of the Crescent were nothing but smiles for weeks. The talents and energy of the Lambda Chi's has not been confined to fraternity projects alone. Active in varsity athletics, student politics and government, circus, Speakers Bureau, and student religious groups, they are proud to boast a cheerleader, IFC vice president, the presidents of several groups on campus, numerous "Man of the Year" awards presented by sororities, and the intramural wrestling crown.

The annual Crescent Ball and Lambda Chi Weekend left no one disappointed. "It's the best ever!" was the firm opinion of all. That goes for the entire year.

PHI DELTA THETA

As the house all but burst apart at the seams with loud if not melodious strains of "Phi Delta Theta, grand old – grand old fraternity –" the Phi Delts were being named "Fraternity of the Year" for their active participation in campus life. The rolls of ODK, Gold Key, APO, Alpha Council, Honor Court, and Alpha Epsilon Delta all included the names of Phi Delts. Some of them even had time to win such honors as IFC president, president and vice president of the Senior Class, and listings in "Who's Who."

The brotherhood and friendship which form the basis of Phi Delta Theta was by no means neglected however, as many inter-fraternity projects were sponsored. The Phi Delt-Alpha Gam Soap Box Derby, Episcopal camp project, and campus provided opportunities for contributions to charity. The Bowery Ball, South Seas party, and Phi Delta Theta Weekend are proof positive of a terrific year. In addition, they've kept the over-all Intramural Trophy pretty much in the family, as in the past eleven years, the Phi Delts have won it seven times.

Even the Tallahassee rainy season didn't dampen the spirit and energy of the Phi Tau's. Named most outstanding chapter in the Southeastern Domain, the FSU chapter was host to the 1959 Conference.

With too many irons in the fire to count, they are active in Gamma Theta Upsilon, athletics, Cavaliers, Kappa Kappa Psi, student religious organizations, and numerous campus clubs. Don Talmon, Business Manager of Publications, is one of the many active Phi Tau's.

At their Bohemian party before finals, everybody (literally) let down his hair and rolled back the rug. The Founder's Day Banquet, Carnation Ball, pinnings, and the "lost weekends" at the coast are proof positive that the Phi Tau's believe in the well-rounded education.

PI KAPPA ALPHA

The "academic revolution," "surge in intramurals," "parties, banquets, and balls," "green peppers," and "the house with the built-in woods" all had particular meaning to the PiKA's in '58-59. Their Christmas party for underprivileged children, Alumni Christmas party, Founder's Day and Dream Girl Weekend highlighted the year. Members in Kappa Kappa Psi, Pi Mu Epsilon, Kappa Alpha Mu, varsity athletics, cheerleaders, and Cavaliers all contribute to the fine work the Pikes are recognized for.

The "armpit" with its rather subversive activities, the tremendous vocalizing of the well-known "Four-Fifths," the Dayton Duo, and the greatest person of all, Mom Ames, have — each in his own way — made this a red letter year for the Pi Kappa Alphas.

Sweet sounds pervade the air around College Avenue as the Pi Kaps tune up for Campus Sing practice. First place winners for the past two years, they've also made several TV appearances. Among their souvenirs of the past year are second place award for their Homecoming skit, third place for house decorations, and fourth place for their float.

Although the food is occasionally a little later than the members are for meals and the heating system has its bad days along with the good, the Pi Kappa Phi sweetheart still claims the food and hospitality can't be beat.

The annual Rose Ball — at which time their sweetheart is crowned — climaxes the social events of the year. Outstanding in intramurals, the Phi Kaps are also prominent in campus politics, circus, athletics, the glee club, and various honoraries.

SIGMA ALPHA EPSILON

With a new lion to rival even that of MGM, the SAE's marched on to another highly successful year. Led by capable officers and "top-drawer" pledges, they more than made their mark in campus affairs.

The chapter is quite proud of SAE members as varsity team captains; Men's Vice President; Sophomore, Freshman, and Junior Class Presidents; and class senators. Sorority "Men of the Year" awards, Gold Keys, Who's Who and ODK members are also scattered liberally around the house.

Homecoming house decorations took second place, and the float built with the KD's was in the finals. Their reception for Dr. Strozier, also an SAE, was a big success, as was their Christmas party for needy children, and the annual SAE Weekend.

Aside from a few minor catastrophes — for instance the pledge who ran the waxer into the TV set — the year went by swiftly, smoothly, and successfully.

Housing the Student Body President, Chief Justice and a judge of the Honor Court, Senior Class President, Board of Publications members, senators, Attorney General, honorary presidents, and several athletes to boot, the Sigma Chi house is all but bursting apart at the seams with its BMOC's. Sponsorship of the 1958 Homecoming Queen is also to their credit.

Disguised as an effort to raise money — but with the real purpose of engaging FSU co-eds in feats designed to evoke the laughter of all on-lookers — the Sigma Chi Derby is held each year. The Homecoming float with the Alpha Gam's, Halloween party, and the Sweetheart Weekend rounded out a successful year.

Jotted down during the year — who burned our float — where's Art's frisby — Daddy Rix is comin' — candy, anyone? — heard the Sigma Sigma's broke up — and last but not least, don't forget the new house.

SIGMA NU

If you're all set for a wild Saturday night, just follow the noise issuing forth from the Sigma Nu house. Beginning with rush and ending with graduation, the Sigma Nu's are happily caught in a maze of extracurricular activities, intramurals, serenades, and studies.

Homecoming was great with Roy and his Africans, as well as the Distinctive Design award for house decorations, the first ever presented. Another first was the selection of a "Sigma Nu Girl of the Week" who was serenaded, sent roses, and recognized on the air by a local disc jockey. The last nail was driven in their new addition so that room for sixteen more brothers was available.

Losing the basketball championship during the last four seconds of the game was a heartbreak, but Dick Howser who made the NCAA All-American baseball team and Marv McLean who made All-American volleyball more than compensated for the loss.

The road trip "tries," Brock and the Tallahassee police, Torsleff's sheets, the midnight serenades, and "hey! how you" were as familiar to the Sigma Nu's as was making that 4.0.

While most of us dreaded the long trudge back to school and dragged one foot behind all the way, the Sig Ep's all but ran back to situate themselves in their new house. They've been running since then to keep up with their extracurricular activities — athetics, politics, clubs, and honoraries.

Harvalyn Green was chosen Sig Ep Sweetheart and crowned Queen of Hearts. The annual weekend was a tremendous success and will long be remembered. Also to be recalled but in not quite the same way are the early morning visit by Senior Hall residents during finals, the Mystery of the Red Door, the Five Buck Club, and the Penthouse Five Plus One. Patsy Rhodes was chosen Queen of Diamonds by the pledges, who staged a great, but short-lived, independence movement. The year was finished all too soon however, and the heart above the Sig Ep door will stop throbbing with loud voices and general confusion until next September.

TAU EPSILON PHI

If you picked the TEP-DG entry in the annual soap box derby, then yours was a sure bet. As the rest of the entries plugged onward, the TEP's big four-wheeler flashed over the finish line to victory.

However, their talents are by no means confined to speed and mechanical know-how. Right at the top in intramurals, they placed third in the tennis doubles and had a freshman basketball team to write home about. To this they add a grade average just a decimal place away from a 3.0 and outstanding contributions to the Flambeau Staff.

In the background, drummerboy Dave is still wailing on his skins, and the genius is still aiming for that two-point. The TEP's made sweet music in '58-'59.

SCHWARTZ

Walking away with first prize in two out of three events during Homecoming, the Theta Chi's won skit competition and most original float award. Men of the "Big Red" have furnished outstanding leaders to numerous phases of university activity — senate, Gold Key, Alpha Council, IFC president, the Flambeau, circus, cheerleading, Alpha Delta Sigma, Alpha Kappa Psi, and varsity athletics.

The Theta Chi calendar was generously filled with social engagements as combo parties, fireside get-togethers, and of course, Theta Chi Weekend.

Each week some lucky sorority had its doorbell rung unexpectedly during dinner, at which time the pleasantly astonished girls were presented with a serenade and a bouquet of roses by the Theta Chi's. What nicer tradition could be established?

Andre's calls from the barber shop, loose plaster and loud noises in 309, as well as Theta Chi activity in campus affairs have made this a year to remember.

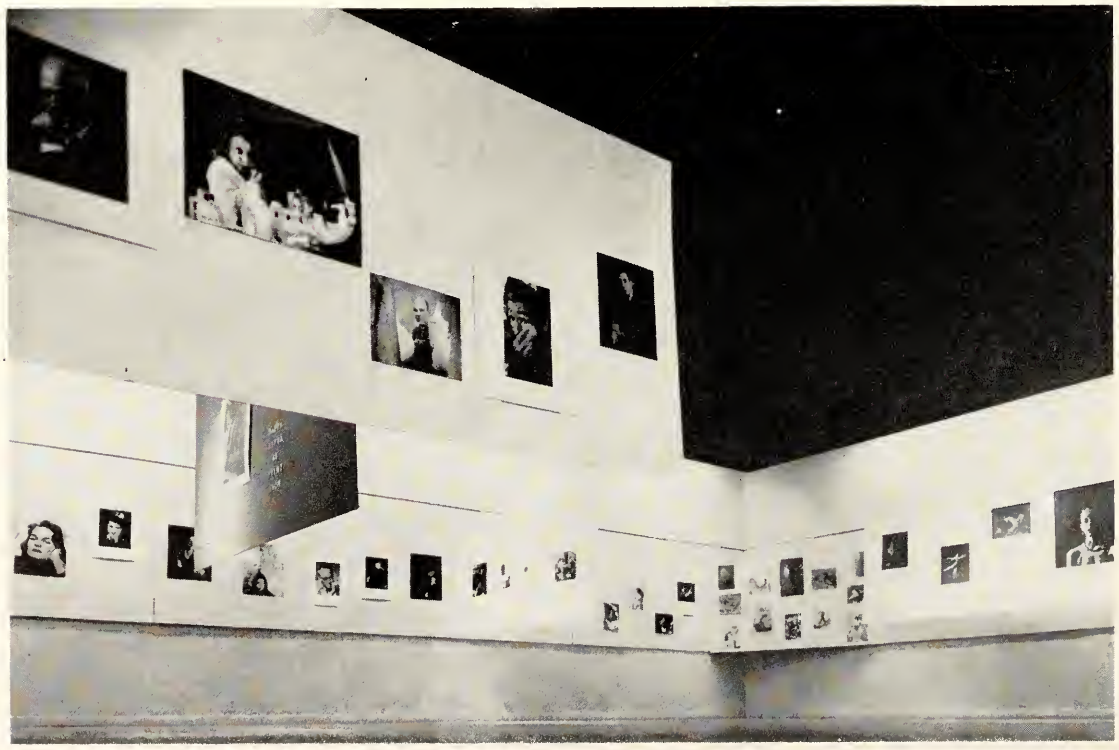
UNIVERSITY MUSEUM AND ART GALLERY

Typical freshman dorm

Personally, I prefer Grandma Moses

This year the University Museum continued its unusual exhibitions in art and anthropology. The museum can boast about its ability to give at least four different and unique displays per year. During the 1958-59 year these demonstrations included such things as the effect of glass on mankind, the theories of Darwin, an unusual show of how primitive medicine and some of its cures which are still often used, and a non-objective exhibition called "Mood," which was used to get impressions on techniques of demonstration.

Archives Photographiques



STUDENT ARTIST SERIES

The Hi-Lo's

Ahmad Jamal

Every year Alpha Tau Omega fraternity sponsors a group of entertainers to raise money for their annual charity project. This year they sponsored, much to the students' delight, the famous Hi Lo's and Ahmad Jamal. Keeping in tradition, the show was a complete success for two performances in the same evening.

ARTIST SERIES

The NATIONAL BALLET OF CANADA

Returning once again, to the delight of those interested in the arts was the National Ballet of Canada. Their colorful costumes and graceful movements blended to make Coppelia a magnificent production.

GEORGE LONDON

One of the University Artist Series' greatest offerings this year was a concert by George London. Mr. London delighted the audience with his mellow baritone voice.

CANDIDE

Music by Leonard Bernstein and lyrics by Voltaire resulted in an excellent musical comedy called "Candide." The cast included three Broadway stars, Robert Rounseville, Mary Costa, and Irra Petina. The plot concerns a traveling man and his companion becoming involved in many odd and humorous situations.

SIR JOHN GIELGUD

"Were they not all honorable men?" says Mark Antony in William Shakespeare's "Julius Caesar." Truly, Sir John did an honorable oral interpretation of some of Shakespeare's greatest works in his performance "Ages of Man." Known as one of the world's foremost Shakespearian actors, he inspired the followers of history's number one literary geniuses.

For the man of distinction. Kikapoo Joy Juice.

LITTLE ABNER

Another of the great productions brought to the F.S.U. Campus was "Lil' Abner," the Broadway musical based on the comic strip by Al Capp. The gay music and colorful costumes made the performance truly entertaining.

THE KINGSTON TRIO

The Kingston Trio first performed professionally in 1957 on the campus of Stanford University. Starring Dave Guard, Bob Shane and Nick Reynolds, this group has gained international recognition with their unusual style of performing humerous and folk songs.

The Kingston Trio sang to a full-house at Westcott Auditorium.

THE HAIRY APE

Paul Smith, as Yank, in Eugene O'Neill's "Hairy Ape" acted to perfection his role of a man who lost unity with nature and could not make a spiritual adjustment in life. This play was directed by Arthur Dorlag and was one of the year's most popular. Others in the cast were Jack Bosson, Faye Dunaway, Michael Gallagher, and Susan Beckenbach.

Big man! Big Performance!

SPEECH PRODUCTIONS

Faye Dunaway, one of the stars of "Twelfth Night," puts on the finishing touch for a sterling performance.

Every year the Speech Department presents several popular productions and a children's Christmas play. This year, their schedule included the very well produced and cast "Ring Around The Moon," "The Hairy Ape," "Twelfth Night," "The Country Girl," and "Oh Fudge!". "Oh Fudge!", the children's production, was an original written by Dr. Eugene Bormann.

Sigma Chi's pretend to know what it's all about!

Why worry?!! All Hollywood stars use egg shampoos.

Sigma Chi Derby

Sha-boo-py, Sha-boo-py, Deano does the hoola-hoopy.

"Oh!, I'm so" — Sob — "happy."

Millie Moore charmed the judges.

The casual observer and the curious parent would have wondered, perhaps, at the value of higher education had they been on campus Sigma Chi Derby Day. After a wonderfully noisy parade, co-eds with anxiety on their faces and balloons tied around their waists were giving their *all* in attempts to burst the balloons with one clean ploop on the lawn. Hoola-hoopers and clocked sack-racers took up all available sidewalk space; and books, we must admit, were used to sit on while cheering the performance of these feats. However, the Sigma Chi Derby comes but once a year, and the rationalists among us said this "study break" was essential to making that 4.0. In spite of the cherries which mystery-event contestants continued to find in their shoes for weeks, and the injuries suffered by Sigma Chi coaches, the Derby was, as always, a smashing success. Betty Collar, Derby Queen was as proud of her sorority as they of her. Not only did the Delta Zeta's queen entry win, but they also copped second place. First place winners, the Alpha Xi Delta's cheered, fought, and hoola-hooped their way to victory. Right behind the Alpha Xi's were the Gamma Phi's and the Pi Phi's who tied for third.

Faces in the crowd.

"Friends, Romans, and countrymen notice his jaunty walk, the fit of his toga, and his sharp hair-cut."

"How strange! A barefoot donkey. Is he for sale too?

DELTA TAU DELTA SLAVE AUCTION

Arrayed in the motliest assortment of togas since the days of Nero, Delta Tau Delta pledges reluctantly mounted the auction block. Unfamiliar with the concept of Constitutional Law, their masters happily put prices on their heads in the name of charity at the annual DTD Slave Auction. Bought by affluent FSU co-eds, the slaves proved their versatility by serving as yard men and butlers, singing a candidate's fight song to win votes, washing cars, and even providing "dinner music" for a sorority house. Their plight has a happy ending however, as emancipation soon came, and as a result of their labor, a liberal donation was made to charity by the Delts.

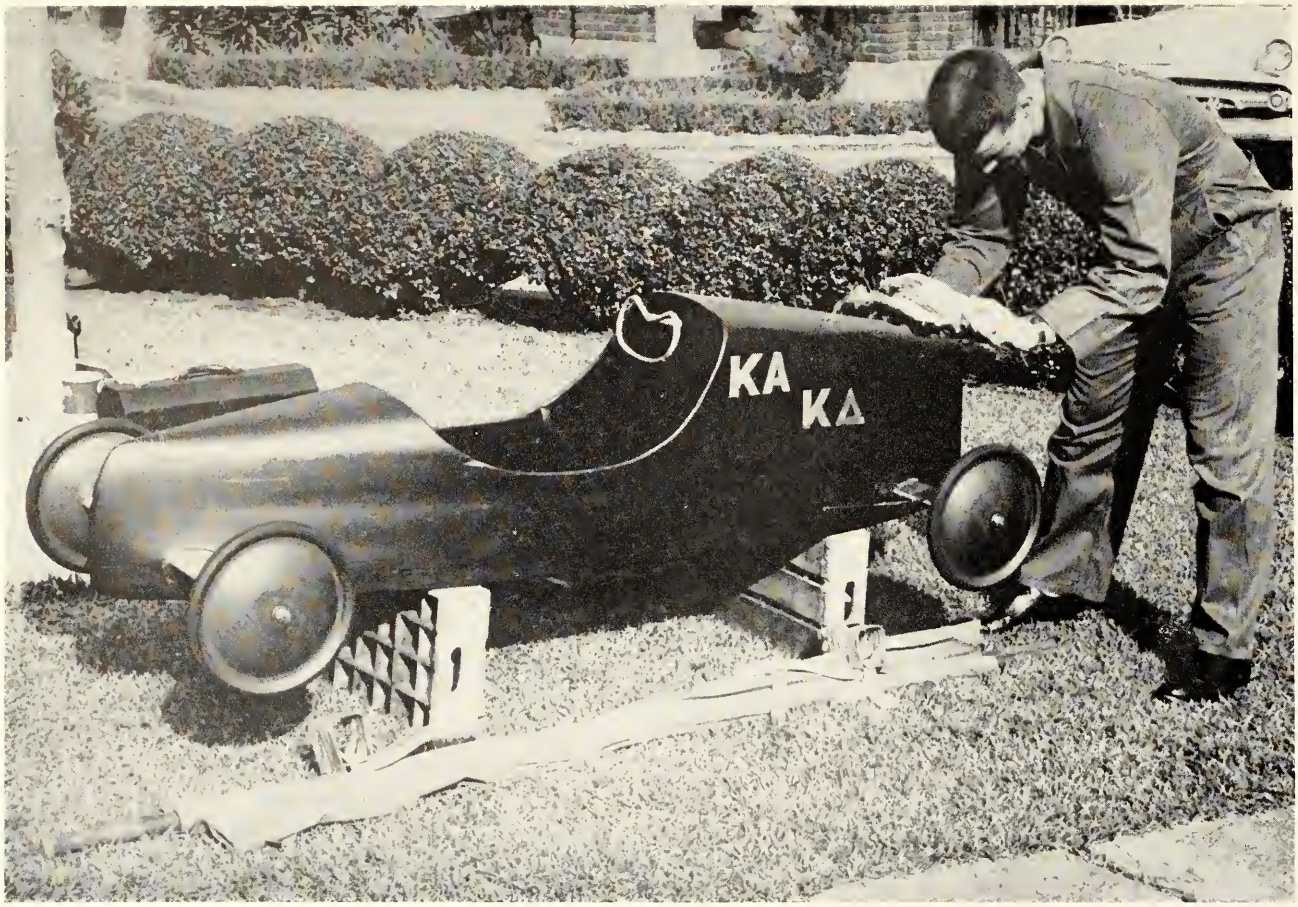
Goohooh — he's neat. Let's buy him.

Competition crowds the fields with a higher bid.

Well of all the nerve . . . humph.

Count it once more. I just know we have more than that. The cost of slaves is rising.

EEEH — we got him! A slave for an hour, and soup for a week.



Shine little racer — glimmer, glimmer.

"Your driver's license please, Miss.

"I told them the driver wasn't supposed to be built-in too."

SOAP BOX DERBY

Last-minute instructions from the side-line.

"Hey, you guys — look who won!"

The day of the annual Alpha Gamma Delta-Phi Delta Theta Soap Box Derby is not one to stop, look and listen before crossing the street — it's far wiser just to get out of the way, PRONTO. The Indianapolis Speedway has nothing over the "College Avenue plunge" in the way of thrills and excitement; especially when helmeted co-eds are driving racers built by FSU fraternity men. Not only does each driver want to get to the hay-reinforced finish line first in order to win the trophy for her team, but also to assure herself a soft and padded landing, as subsequent finishes tend to scatter the finish line a bit. This year, the crowd cheered the victorious Delta Gamma-Tau Epsilon Phi Team. Proceeds from the derby went to Campus Chest.

HOMECOMING

Vivacious Arielou Johnson reigned over the 1958 Homecoming festivities.

"Turn east at the first red brick building."

The most important social event of any college campus is Homecoming. At Florida State, this is particularly outstanding because it includes the entire student body. Everyone seems to let up on his studies and start to work on his dormitory, fraternity or sorority house decorations and floats.

Karen Hancock greets Mrs. Ralph Bennet and Miss Irene Reed, class of '23.

"Bird's eye view of the new FSU."

ZTA'S hexed by Mother Nature.

The Women's F Club in midst of preparations for their traditional float honoring our queen.

There's nothing as thrilling for children as the begining of a parade.

Daddy watches the soldiers while son watches the pretty girls.

Delta Zeta and Lambda Chi Alpha's float was judged the "Most Beautiful."

Sigma Kappa and Theta Chi collaborated to cop the "Most Original" title.

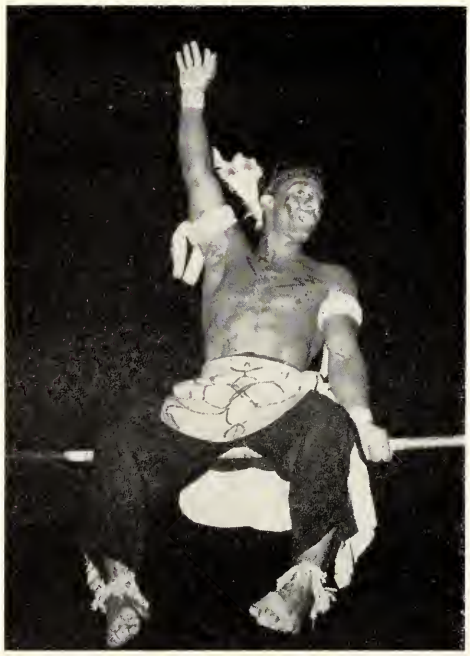
Beautiful girls, colorful crepe paper, and much hard work made this year's Homecoming parade the most beautiful yet.

Beauty has been defined, expounded, and praised in every conceivable way since Eve. However, it's of no less interest and certainly has no less appeal now than in the Year 1. Our Homecoming Court is an all but classic illustration. It seems FSU co-eds get lovelier each year as Queen Arielou Johnson and her court prove. Cheers, whistles, and much applause greeted the announcement of the 1958 Homecoming Court which included Pat Ferguson, Joyce Combs, Nan Chamberlain, and Willou Copeland. Vivacious Arielou and her maids reigned over the festivities regally, ascertaining all the charm and pulchritude of Southern womanhood.

"No, I don't sell air pumps with the balloons."

F.S.U. invited the University of Tampa "up North" for the game.

Chic Cicio as Sammy Seminole shows genuine Seminole Spirit.



"Mrs. F.S.U."

POW WOW

All the excitement of Homecoming seems to culminate in the traditional Pow Wow. First place in the sorority skits, the Alpha Xi Delta's won the applause of all for the originality and colorfulness with which they presented "A Peek at the Greeks." The Theta Chi's represented the fraternities with their hilariously funny "Everything's Up to Date at FSU." That "good ole' Seminole spirit" was in abundance at the 1958 Pow Wow.

Lynn LaGrange crowns Queen Arielou Johnson.

The court—left to right—Nan Chamberlain, Willou Copeland, Joyce Combs, Queen Arielou, and Pat Jean Ferguson.

Miss FSU and Court

Natalie Hobbs

A blonde, blue eyed photographer's Greek goddess, Nat comes to FSU from Sarasota and is in her Junior year with Education as her major. She is active in Tarpon Club, Ruge Hall, Kappa Alpha Theta, as well as other campus activities. We present Miss FSU, 1959.

A Tallahassee Freshman, Faye has already been active in campus speech productions. Her major is Dramatics and Speech and she is a member of Pi Beta Phi.

Faye Dunaway

Joyce Fisher

From Daytona Beach comes Joyce who caught the judges and photographer's eye early in her Freshman year. Her interests are art and swimming and she recently became a member of Delta Delta Delta.

Carol Hair

Another Freshman, Carol came to us from Live Oak. Still undecided in her major, she has interests in public speaking and has been active in circus. She is a member of Pi Beta Phi.

A Senior member of our campus, Rita is majoring in Education. She is a member of Alpha Omicron Pi sorority and represented them last year as Military Ball Queen. Her home town is Panama City.

Rita Nelms

The only Georgia representative on the court, Dee is from Adele. She pledged Kappa Alpha Theta this year as a Freshman. Her major is Social Welfare.

Dee Rivers

Martha Strom

With definite photogenic qualities, Martha joins us from Panama City. She is a Sophomore in Education and a Sigma Kappa member.

The Gymkana Dancers rehearse for the big show.

GYMKANA

If you had an Arabian magic lamp what would you wish for? The sultan in this year's F.S.U. Gymkana show "Arabian Daze" wished for entertainment and of course, a harem.

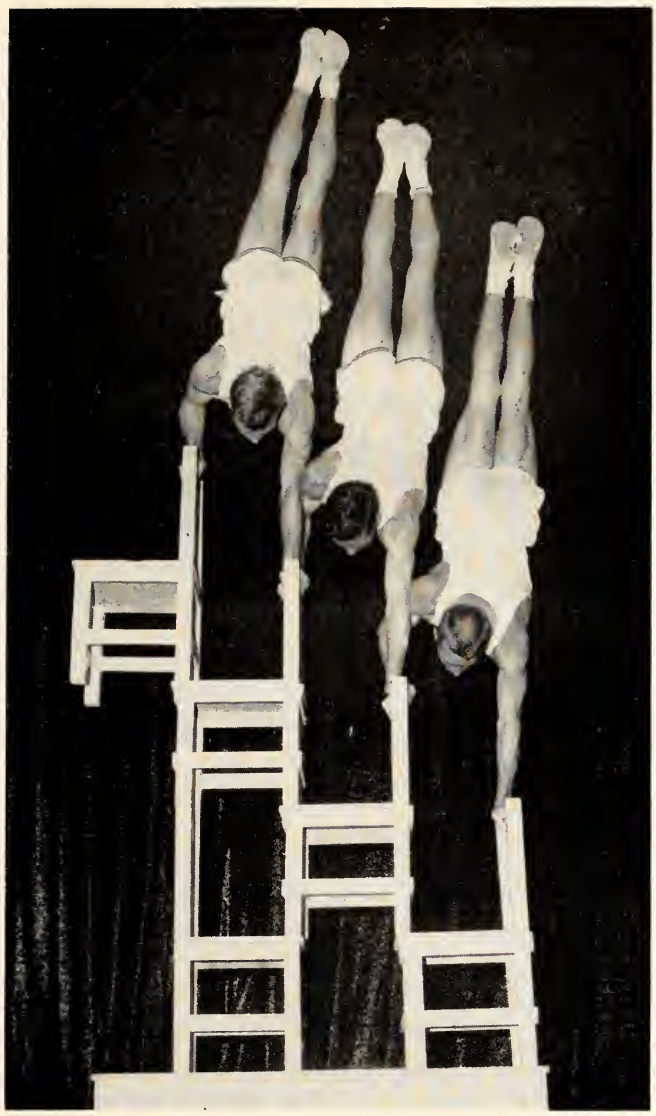
No sooner said than done. Before his eyes, and the eyes of the audience, appeared the versatile F.S.U. gymnastic team and twenty-three beautiful coeds, composing the harem.

The show was an overwhelming success, everyone being pleased with the professional acrobatics and feats of strength. Other entertainment was supplied by an adagio dance team, several olympic gymnasts, and the Tallahassee Tumbling Tots.

As the climax of the four day performance, the court of honor was presented. Jo Elen Eyster was "Miss Gymkana" and her court was composed of Joyce Combs, Faye Dunaway, Karen Eckman, Linda Gormley, Carol Hair, and Patty Mickey.

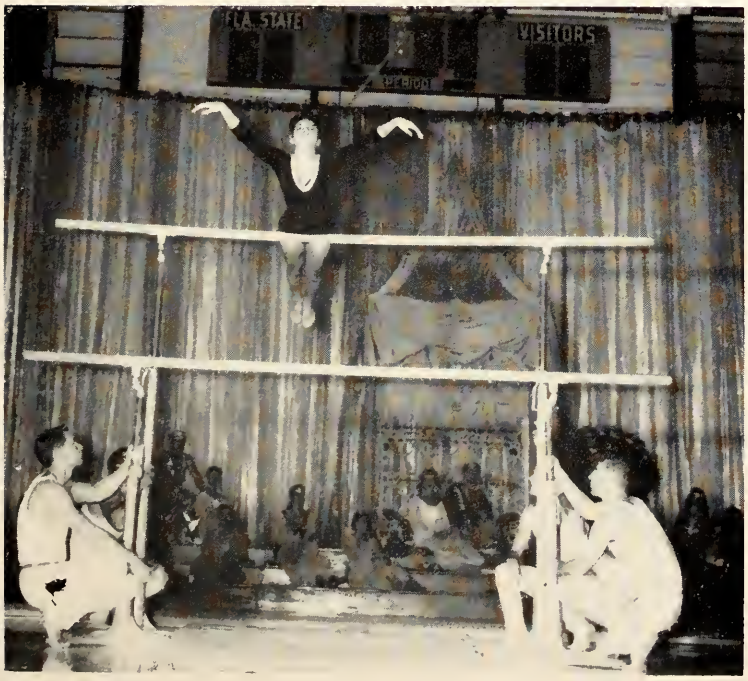
Ann Eastman and Stu Greenberg, a well-balanced twosome, perform their act "The Funny French."

Jack Miles, director of "Arabian Daze" and his executive committee.



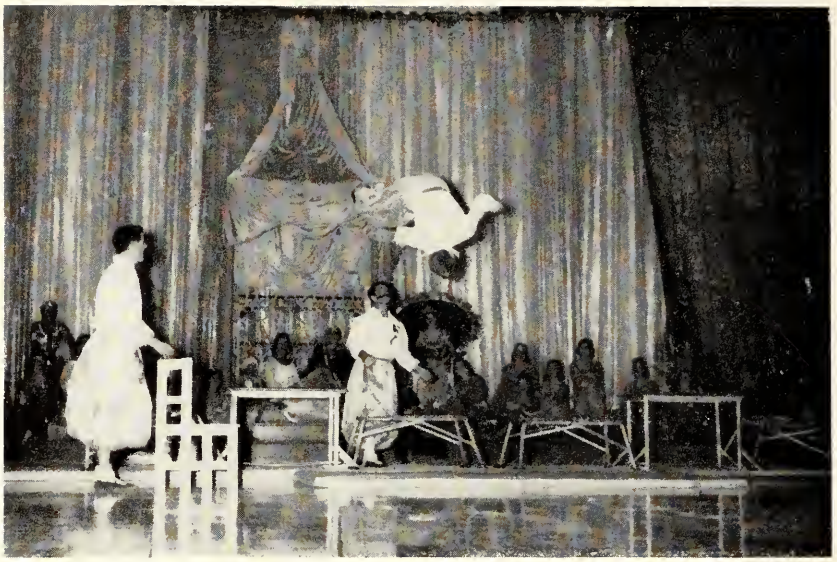
Don Rapp and Jim Fadigan present "Merry Movement" to an enthralled full house.

Left to right — Roger Webb, Rick Miller, and Jerry Chester show skill and form in "Arabian Heights."

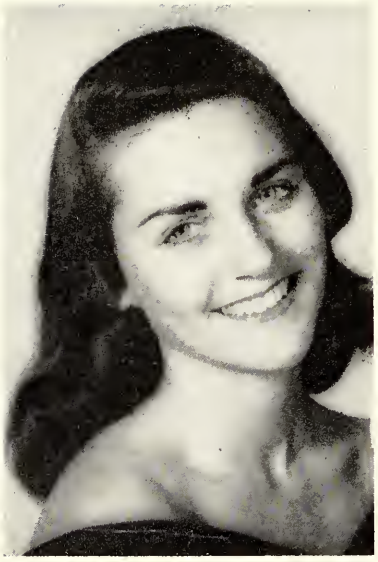


Muriel Davis, National Women's Gymnastic Champion, proves her capability.

Ballerina, Kay Hufford.



Court Jesters?



Miss Gymkana
Jo Elen Eyster

MISS GYMKANA, Jo Elen Eyster and her court — Roslyn Anderson, Melanie Buck, Dona Lee Campbell, Ann Chamberlain, Joyce Combs, Willou Copeland, Barbara Coppins, Faye Dunaway, Karen Eckman, Pat Jean Ferguson, Linda Gormley, Carol Hair, Nat Hobbs, Marjorie Kappan Susan Kittredge, Lynn LaGrange, Patty Mickey, Jackie Owens, Dee Rivers, Mary-Ann Trask, Judy Vetter, Lora Warren.

Bevy of Beauties.

Five O'Clock Shadow.

CIRCUS

Phyllis has a feeling that she's falling.

Coach Jack Haskins

CIRCUS

Clowns Gillard and Reese take a leisurely view of the audience before show time.

Probably the biggest event at FSU takes place in Campbell Stadium during the first weekend in May. At this time "Circus" is the big word, and means exactly what it says.

Students, parents, and alumni were thrilled as the student participants sailed through the air from trapeze to trapeze. Yes, there were the traditional clowns, tightrope walkers, jugglers, and the popular Circusettes. Throughout the show the background music was provided by the inspiring Circus Band.

Circus is directed and coached by Jack Haskins. His direction has gained FSU national recognition, and, along with an annual state tour, the privilege to perform on network television in the Gator Bowl activities during the half time.

Deanne hopes she won't be missed!

Deanne Head and Leonard Darsey literally "flying high."

Cheryl Rose and Pete Hagerty execute a breathtaking feat of balance and coordination.

"Here's hoping my knots hold!"

"Cheese, Man, Cheese."

THE COLLEGIANS

The Collegians, the male glee club, is open to all students interested in music. It was organized in 1958 and is under the direction of Mr. George Booker. They gave several performances during the year and sang a variety of types of music.

WOMEN'S GLEE CLUB

Under the able direction of Miss B. J. Grimm, any woman student who is interested in singing may join the women's glee club. They meet during a regularly scheduled weekly class period and present an annual Christmas vespers program.

THE UNIVERSITY SINGERS

A concert at Christmas and one in the Spring are the major activities of the University Singers. Under the direction of Dr. Wiley J. Housewright it is open to all students who enjoy singing choral literature ranging from folk songs to present day music. Membership may be attained through tryouts and the group consists of approximately seventy members.

CHORAL UNION

Choral Union, a musical organization with 100 members, is the largest choral group on campus, and is open to all students who can, and like to sing. The group presented a concert during the Thanksgiving season and another in the spring. One of the main numbers of the spring concert was Bach's Mass in B-minor.

UNIVERSITY SYMPHONY

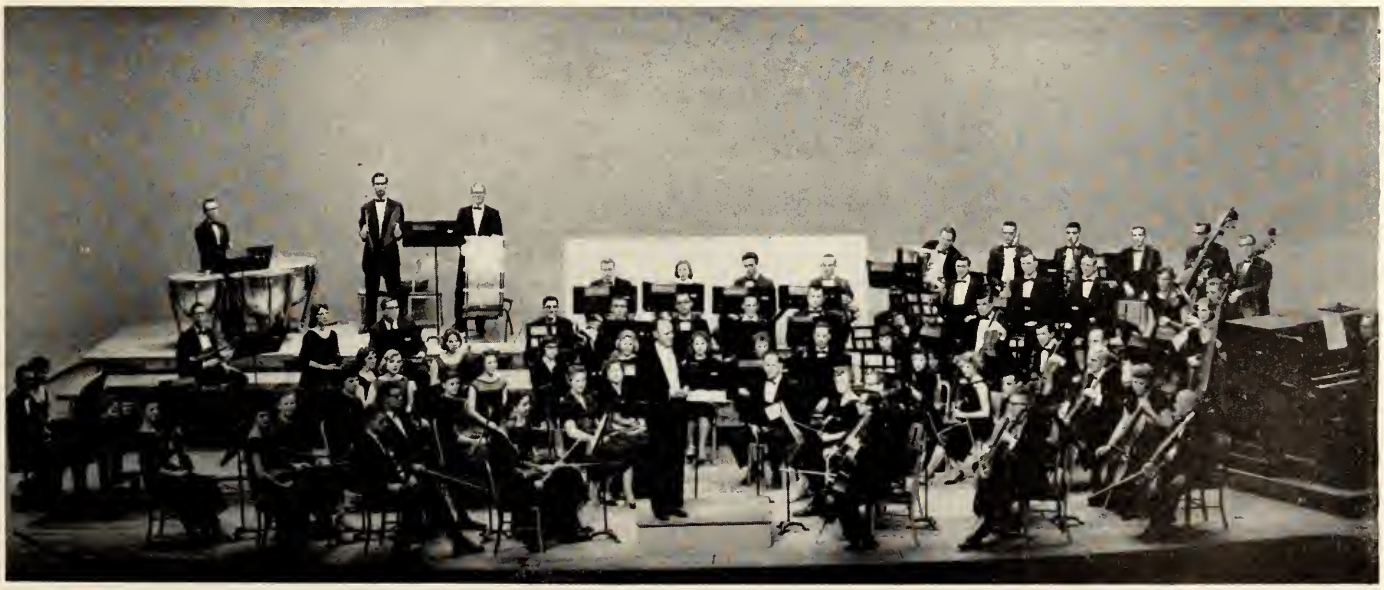
Dr. Ernest Von Dohnanyi, Guest Conductor.

The University Symphony has presented top-rate entertainment this year, as in the past. The first of their four concerts featured two seniors working toward their masters, Dickson Redditt, clarinetist and Dilly Alton, pianist. The second in the series was notable for the performance of Robert Cancelosi, also in graduate school, who plays cello and Ethel Donaldson who sang. Recently organized by the University Symphony was the Opera-Chamber Orchestra which serves as the accompanist for operas presented on campus, as well as give their own chamber music concerts.

This year their activities included two grand operas as well as light opera. Accompanying this group was pianist Joseph Running, a doctorial candidate. The University Symphony is quite proud to have played Saintsaens Symphony #3, a work written for the organ. This is probably the first time this has been done in the state. Among their numerous presentations was one in collaboration with the Choral Union. The symphony has been host to many great artists. During the year, they were honored to have as great conductor Ernest Von Dohnanyi.

The String Bass player takes a well-earned rest.

Dr. Robert Sedore, Conductor.



"Music hath charms."

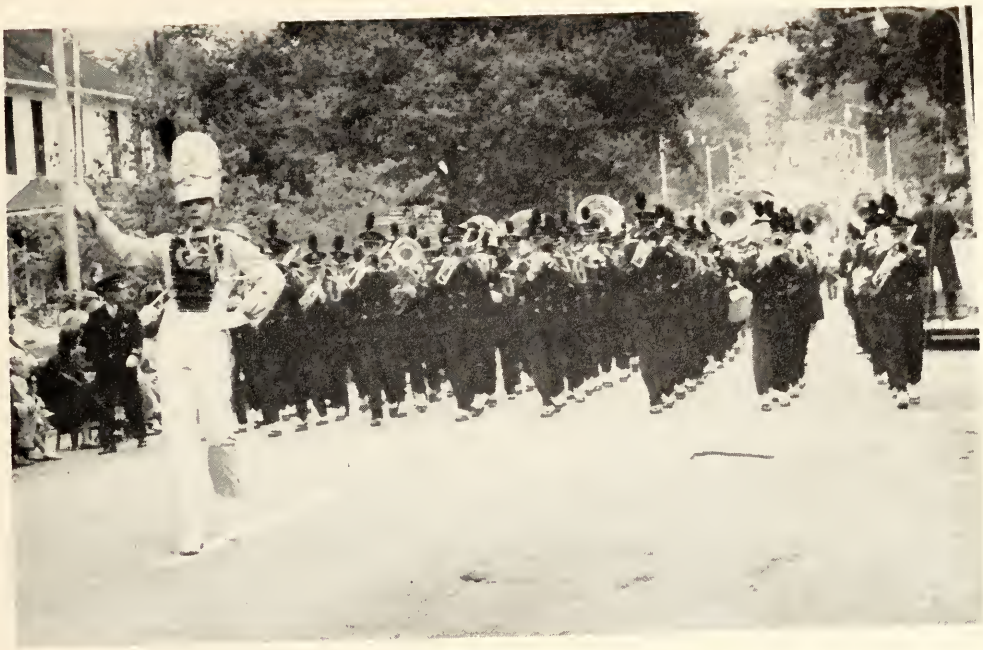
The F.S.U. Drummers.

MARCHING CHIEFS

Heralding the approach of the Seminoles are the renowned Marching Chiefs from FSU. A pleasure to hear and see, they never fail to put on a terrific show. Rigorous practice has made this group one of the best marching bands in the country. During the past season they made trips to Atlanta, to Jacksonville, to Gainesville for the big FSU-U of F game, to Miami, and of course to Louisville for the nationally televised Blue Grass Bowl.

Composed of 112 musicians and 8 majorettes, the Marching Chiefs are led by Head Majorette Linda Bean and Drum Major Terry Johnson. Chic Cicio as Sammy Seminole was a new and welcome addition to this aggregation last fall. All in all, we at FSU are mighty proud of the Marching Chiefs.

The Marching Chiefs impressed the crowd at the F.S.U.-Fla.



The Marching Chiefs.

Omicron Delta Kappa

NATIONAL MEN'S LEADERSHIP HONORARY

OFFICERS

Joseph Westhafer	President
Bill Clendenin	Vice President
Joseph Plant	Secretary
Bradley Canon	Treasurer

One of the highest honors bestowed on a male student at Florida State University is that of being selected for membership in Omicron Delta Kappa. The organization recognizes leadership, exceptional quality, versatility, and that representative men in all phases of college life should cooperate in worthwhile endeavors. Mutual interest and understanding brings members of the faculty and student body together in ODK. This men's honorary sponsors a leadership training program period in the Spring.

ALPHA COUNCIL

Established on the FSU campus in 1952, this Freshman-Sophomore leadership honorary recognizes potential leadership ability, develops and maintains interest in worthwhile university activities of the male students. This is accomplished by bringing these outstanding men in contact with numerous situations which will broaden their capacity and develop their abilities. Their activities include promotion of the honor system, development of school spirit, stimulation of religious activity, and partial sponsorship of the university orientation program.

ALPHA PHI OMEGA

National Scouting Honorary

Alpha Phi Omega, established at Florida State in 1951, is a men's national service fraternity whose purpose is to render service to the student body, the youth of the country, and the community. One of the main service projects of APO is the Used Book Exchange. Additional activities include sponsorship of the "Ugly Man and Ugly Woman" contests, parties for retarded children, scholarship funds, and serving as guides during orientation week.

ARNOLD AIR SOCIETY

This year Arnold Air Society has revised its membership requirements, making it an even higher honor for Air Force ROTC cadets. For the first time, freshmen and sophomores, as well as upperclassmen may become eligible for membership. The purposes of this organization are to promote American citizenship in an air age; to advocate the support of airpower; to further the purpose, mission, tradition and concept of the United States Air Force as a means of national security; and to create a closer and more efficient relationship within the Reserve Officer's Training Corps.

GAMMA ALPHA CHI

WOMEN'S ADVERTISING HONORARY

Gamma Alpha Chi is a national women's professional advertising honorary, established locally in 1952. Its purpose is to develop higher educational and professional standards; and to broaden and increase the opportunities for women in advertising by serving as a link between its collegiate members and those engaged in practical advertising pursuits. Their numerous activities include acting as hostess for the School of Business reception, field trips, a fashion show, serving as advertising agency for light opera guild, and a homecoming float. FSU's Alpha Delta chapter received the A. P. Phillips Award for outstanding work in the field of advertising, and placed second in the nation.

GYMNASTICA

In top form physically, mentally and socially, Gymnastica members are thoroughly at home on the high bar, trampoline, vaulting horse, still rings, both in the air, and on the ground. This honorary, though local and only recently established in 1955, has gained much recognition and praise for its outstanding members. Its purpose is that of promoting and maintaining an interest in gymnastica, the cultivation of an appreciation of sportsmanship and the furthering of the development of gymnastics as a sport on the FSU campus.

OMICRON NU

Home Economics Honorary

Students who have proved themselves outstanding because of their leadership, scholarship and research in the field of home economics are recognized by and honored with an invitation to join this home economics honorary. At an annual open meeting in January, scholarship awards are made to outstanding sophomores and juniors in this field.

Founded on this campus in May, 1922, Omicron Nu commemorates this date with an initiation dinner which climaxes the year.

SCABBARD AND BLADE

To promote leadership among the members of the Army ROTC and to spread intelligent information concerning the military requirements of our country are the aims of this military honorary. In order to further this end, a Cadet of the Month award is sponsored. Through the joint efforts of Scabbard and Blade, which comprises the top brass in the Army ROTC program on campus, and the Air Force, the annual Military Ball is held. This anticipated social event featured a top-name band and the crowning of the Military Ball Queen, Miss Linda Gormley.

SPEECH AND HEARING HONORARY

Established on the campus in 1956, this national honorary has done much to create and stimulate an interest among college students in the field of speech and hearing, and to provide a medium for enriched professional and social experience through co-curricular activities. Education which will develop a greater scope in the field is provided by panels, lecturers, and an increase in available supplies for the "therapy materials room" created last year.

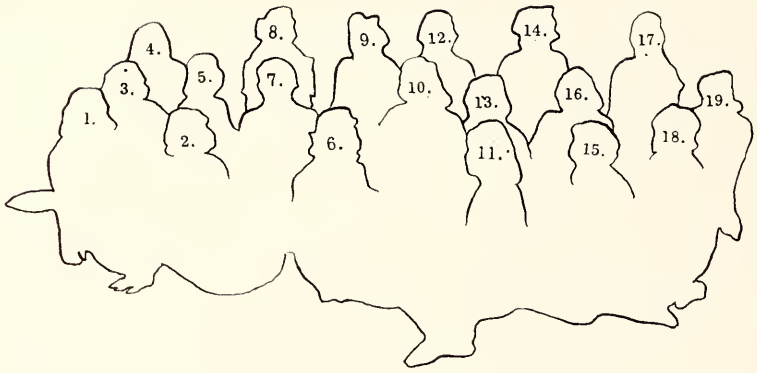
SIGMA ALPHA IOTA



The sounds of sweet music that permeate the air of FSU each spring are due largely to the Annual Campus Sing sponsored by Sigma Alpha Iota and Phi Mu Alpha, the men's music honorary. One of the most popular events of the year, the Annual Campus Sing recruits the voices of groups and organizations over the entire campus. This project provides a dynamic and beautiful way to promote music on the campus, which is their primary goal. Sigma Alpha Iota provides an organization in which professionally-minded young women in the field of music may further their professional aims. Social activities include receptions, rush parties, musicales, and the annual spaghetti supper.

SOPHOMORE COUNCIL

Elected by the women in their class with approval of their J.C.'s and residence counselors, these outstanding sophomore women begin their long list of duties during orientation week. Services of Sophomore Council, which have proved invaluable, are available to any group on campus sponsoring a university function. A local honorary, this group has evolved from the traditional Blue and White Girls of FSCW. Although their services are far too numerous to list, the more important ones include campus tours and various duties during elections, Homecoming, Inter-Faith Week, and Family weekend.

TAU BETA SIGMA

WOMEN'S BAND HONORARY

FSU is the home of the largest chapter of the band honorary for women in the nation. Tau Beta Sigma has honored outstanding women in college bands; stimulated leadership in college activities; and promoted band spirit, achievement, and closer ties with other musical organizations enthusiastically and successfully on the FSU campus. Alpha Omega was also proud to play host to the 1959 National Convention in conjunction with Kappa Kappa Psi.

MEN'S BAND HONORARY

Doing what comes naturally means the sponsorship of another project to the Kappa Kappa Psi's, band honorary for men. The many events in which they take charge include a pep rally dance co-sponsored by the cheerleaders and Tau Beta Sigma; the Marching Chiefs Banquet; and a Band Weekend. They act as hosts for visiting bands and in the capacity as a service organization for the University Band.

The promotion of mathematical scholarship is the prime concern of Pi Mu Epsilon, the mathematics honorary. One of their major projects is the recognition of freshman scholars in the field of mathematics by an annual award. Not all the activity of this group is confined to 'rithmetic and numbers however. The dates of the annual picnic and banquet held in the spring, as well as the Christmas party are heavily marked on the calendars of all members.

PI OMEGA PI

Encouragement and promotion of scholarship in business education are provided by Pi Omega Pi. This national honorary was founded on the campus in 1950. Since that time, its projects have grown and increased until they now include such undertakings as typewriting and shorthand help sessions and compilation of a business Education Directory in conjunction with the State Education Department.

SIGMA TAU DELTA

ENGLISH HONORARY

Chaucer, Shakespeare, and T. S. Eliot are not only familiar names, but old friends of Sigma Tau Delta members. The aims of this professional English honorary include the mastering of written expression, encouragement of worthwhile reading and a first-hand acquaintance with literary masterpieces of our language, and the fostering of fellowship among men and women specializing in English. The main projects for the year were the FSU Literary Anthology and the anual Freshman Writing Award to the author of the best freshman theme. Meetings are held twice a month at which times the speaker is followed by a discussion period, refreshments, and socializing.

Student Religious Houses

INTER-FAITH STUDENT COUNCIL

This inter-denominational group serves as a co-ordinating device for the promotion and support of religious efforts on campus. Through the work of this body, individual religious groups are aided in the spiritual and religious development of students by the Council's lead in the responsibility of campus-wide religious emphasis such as Intelligent Faith Week and the Freshman Orientation Picnic. Various projects such as the blood drive, hospital visitation, and a lemonade stand during registration occupy the time of this group.

BAPTIST STUDENT UNION

The Baptist Student Union serves as a link between local churches and Baptist students and keeps them in religious activities at college. Besides social gatherings, weekly vespers, and morning watch services, the student is always free to enjoy the relaxing atmosphere of the modern B.S.U. house on campus. This organization stresses the prayer life of the college student and encourages prayer mates. The main projects are a Christmas party for needy children and a hobo project to earn money to make it possible for students to do summer mission work.

The Christian Science Organization affords those interested an opportunity to learn about Christian Science, and serves to unite the Christian Scientists at FSU in closer bonds of fellowship. The Organization holds regular testimonial meetings every Thursday evening, which are conducted by student readers and are open to the college public. A study room is also maintained, in which all authorized Christian Science literature may be read or borrowed, and a lecture is sponsored at least once a year.

NEWMAN CLUB

The Newman Club is an organization dedicated to foster the spiritual, intellectual, and social interests of the Catholic students of Florida State University in the order of their importance. Aided by the Bishop and Diocese, this organization is a member of the Southeastern Province of the National Newman Club Federation.

Pledged to uphold and maintain scientific research in the fields of commerce, accounts and finance; to educate the public in appreciation of higher ideals therein; to promote and advance, in college, courses leading to degrees in business administration; and to further the individual welfare of members—Alpha Kappa Psi affiliates are kept busy. However, this group happily and successfully combines its business with pleasure, so that "all work and no play" hasn't a chance to make the Alpha Kappa Psi member a dull individual. Quite the contrary, as their calendar is filled with field trips, banquets, an annual week-end, and such projects as the Job-Getting Seminar.

Florida State is well-known for its outstanding Home Economics Department, and the Home Economics Club represents this group admirably. Through the annual picnic honoring freshmen and transfer students, Christmas party for Home Economics faculty, and aid given the Farm Colony of Florida, the aim of this group is achieved. To promote friendliness among the students and faculty of the School of Home Economics and to provide for the professional development of Home Economics students are the main points of this purpose. The weekly Faculty-Student teas given by the club serve to bring those in this field closer together and give opportunities for hostess experience. Among their many projects are the sponsorship of a home economics club in a foreign country, decoration of the new student lounge, and contributions to the International Scholarship Fund which is sponsored by the American Home Economics Association.

Future lady executives are groomed by Phi Chi Theta, professional business fraternity for women. Their goal is the promotion of higher business education and training for all women; to foster high ideals for women in business careers; to encourage fraternity and co-operation among women preparing for such careers; and to stimulate the spirit of sacrifice and unselfish devotion to the attainment of such ends.

SCULLION'S SOCIETY

RESTAURANT AND HOTEL MANAGEMENT CLUB

The mere mention of the name "Scullions" brings to mind the famous gourmet "Tour of the World" dinners given each year. Complimentary reports of this have reached the ears of those on and off campus. The honorary branch of the Restaurant and Hotel Management Department, Scullions strive toward furthering their interest through these dinners and a wide social program. This year they gave a Greek dinner, Swiss dinner, two beach barbecues, and annual Christmas dance, not to mention of course, the International dinner.

SOLTAS CLUB

LIBRARY SCIENCE CLUB

Soltas—School of Library Training and Science—is a local club of the library school. It was organized to encourage and further the development of professionalism in the library field and to offer social and professional contacts among the students of the library school. Their activities include previewing the University film series, maintaining the new lounge in the University library basement, and acting as host to library science conventions in this area.

OFFICERS

Mr. John Murphy	Vice-President
Miss Eleanor Tubb	Secretary
Mrs. Gay Hildreth	Treasurer
Miss Phyllis Carmean	Soltas Editor
Mrs. Sara K. Srygley, Mr. Hal Riehle	Advisors

STATE SCHOLARSHIP CLUB

Membership in this organization is restricted to the select group of state scholarship holders. Their primary aim is not to corner the market in "B" averages, but they seem to do well. At monthly meetings, lectures and discussions are held which are open to all interested. These feature a variety of subjects ranging from the effects of segregation and integration in Florida schools to a comparison of French and American educational techniques. Social activity culminates in the annual picnic. A tutoring service is sponsored by these well-qualified students also.

STUDENT EDUCATION ASSOCIATION

The collegiate branch of Future Teachers of America, this busy group of education majors is engaged in a number of worthwhile projects. Two shiny coffee urns from which come that most appealing of aromas have been placed in the education building as an antidote to those "8:00 blues." Proceeds from the sale of the coffee have been so great that SEA has been able to award from six to ten $100 scholarships to deserving students. A tutoring service, as well as a baby-sitting bureau, is also sponsored by these energetic students. Designed for all those planning to teach, SEA serves to further professional interest and contribute to the community in any way possible.

STUDENT NURSES ASSOCIATION

Formed to promote professional and social unity among themselves, to discuss and solve common problems, and to prepare for participation in professional nursing, this group of future nurses participates in both social, service, and civic projects. Included in these projects are a Christmas program given at W. T. Edwards Hospital, the sale of stationery to Student Nurses, and a retreat at the Reservation.

Greek mythology was brought to life this year by the annual Tarpon spectacular. Selected because of their grace, ease, and skill in aquatics, these talented girls present their audience a superb combination water ballet and aquacade consisting of student produced sketches, routines, and settings. Tarpon's main objective is the development and encouragement of swimming skill and the generation of interest in synchronized swimming among the student body.

VILLAGE VAMPS

These attractive and poised co-eds are tapped each fall because of their charm, graciousness, and appearance. Acting as official hostesses for the University, they usher at Artist Series presentations, welcome the football team, and perform any number of similar duties. Recognizable in an instant because of the black they wear when functioning officially, they culminate the year with an Annual spring dinner-dance.

OFFICERS

Judy Turner ..... Treasurer

Active and enthusiastic, this group of college women is engaged in a variety of service, and social projects. Their purpose is to cooperate with the women's division of the University Recreation Association in promoting athletic activities; to contribute to the development of high ideals and university spirit among the students on this campus; and to award the "F" as a sign of outstanding athletic ability. Special homecoming decorations for Westcott Fountain, the main gate, and the Queen's float are assembled by the club, a Christmas party for physically handicapped children is held, and two camp scholarships to under-privileged children are awarded each year. They also present an overall Intramural Trophy to the outstanding sorority or dorm each year.

INTERNATIONAL STUDENT CLUB

FSU's answer to the United Nations is the International Student Club. Students from all over the world — Korea, Thailand, India, Germany, South America — attend Florida State, and a great many from these far-away places comprise the membership of the International Club. Their active year includes coast parties in early fall and late spring; decorations and a float for Homecoming; and an annual Christmas party. Plans for the International Students' House are well underway. The house will serve as dormitory quarters, social center, and a place for the exchange of ideas and viewpoints for students from aboard.

FOREIGN STUDENTS LEAGUE

Young people from all over the world attend FSU. Many of these students have formed the Foreign Students League. This organization serves to bring students from distant cultures together and to provide fellowship and recreation. Plans for an international house are underway. This living unit, the first of its kind at FSU, will house our students from foreign countries.

CHURCH KEY

Still in the embryonic stages, this group has nevertheless captured campus-wide interest. Founded at the University of Florida, the Tallahassee chapter was established this year. Dedicated to the promotion of fellowship among members of varied interests, to recognize certain qualities of leadership and achievement in both social and campus affairs, and to advance the ideal and prestige of the "Florida State Man," this active and enthusiastic group has furthered its cause fast and furiously. Though individual and group honors have as yet not had time to accumulate, we look for and expect great things from this spirited group.

SIGMA PI SIGMA

NATIONAL PHYSICS HONORARY

The physics honorary, Sigma Pi Sigma, serves to award distinction to students having high scholarship and promise of achievement in physics. Their aim is the promotion of student interest in research and the advanced study of physics; the encouragement of a professional spirit and friendship among those who have displayed marked ability in this field; and to popularize interest in physics in the general collegiate public. In order to achieve this, programs, lectures, and an annual picnic are sponsored.

Head Coach Tom Nugent

Director of Sports Publicity, Pat Hogan

The F.S.U. coaching staff watch the results of their teaching

TRIBE WINS 7, LOSES 3, AND COACH

Florida State had been seeking a "big time" football schedule for many years. In 1958 they finally had one. It included such formidable foes, as Tennessee, Georgia, Georgia Tech, Miami, and finally Florida.

Coach Tom Nugent for the first time in several years did not have to patch together a backfield. In fact he had two excellent units, each with a capable signal-caller. He also had a line, but it was small, very small, compared with the forward walls of the opposition which the Seminoles had to face.

Nugent's real problem at the start of the year was getting his men to realize that they were as good as the next team. This he did and he did it well because the 1958 Seminoles wrote a page in Florida State's football history book that will long be remembered.

OPPONENT	F.S.U.	OPP.
Tennessee Tech	22	7
Furman	42	6
Georgia Tech	3	17
Wake Forest	27	24
Georgia	13	24
Virginia Tech	28	0
Tennessee	10	0
Tampa	43	0
Miami (Fla.)	17	6
Florida	7	21

The Seminoles are flat on their backs, but no one is loafing.

SEMINOLES 22

TENN. TECH 7

In the opening game of the year for the Seminoles, it was an inspired Tribe that rolled over Tennessee Tech by a 22-7 margin.

Carrying the ball only six times, it was Vic Prinzi who supplied the big punch for the team, by scoring 14 points, including one of the first two-point conversions of the college Football season. Dink Lawrence, starting at the fullback slot, picked up 67 yards on 15 carries. Fred Pickard drove over for the second score of the game and picked up an average of 4.4 yards per carry.

Coach Tom Nugent kept the Tribe on the ground for most of the evening. Prinzi, Bob Conrad, and Joe Majors threw only a few times and then just for short yardage. Bobby Renn passed for the third touchdown and averaged 42 yards on three punts, besides breaking away for several long runs.

No one in Campbell Stadium that night had any idea that this was to be the last year at the Seminole helm for Tom Nugent, including Nugent himself. The Tribe supplied a fine beginning for the end of Nugent's reign.

Halfback Bobby Renn is stopped picking up yardage around end in the first quarter.

Bobby Renn displays form that helped him gain 130 yards against the Purple Hurricane.

F.S.U. ROMPS OVER FURMAN BY 42 TO 7

Florida State's second game of the 1958 football campaign was all Bobby Renn. Renn, a senior from Henderson, North Carolina, ran wild. He went through and around the Furman line for a grand total of 130 yards. 50 of those 130 came via a 50 yard run for the first Seminole score.

Al Ulmer stood out for his fine play on defense. On one occasion Ulmer's vicious tackling forced the Furman ballcarrier to fumble and set a Seminole score.

Two touchdowns by Renn, and one each by Bob Conrad, Fred Pickard, Bud Whitehead, and Bill Kimber rounded out the Seminole scoring. John Sheppard used his automatic toe to account for four extra points and Vic Prinzi added a two point conversion. The total was 42 points for the fighting Seminoles. Furman scored late in the fourth quarter on a 17 yard pass play. It was their only score of the night. Furman fought all the way, but the Seminole depth was just too much to handle.

Quarterback Vic Prinzi being pulled down by Furman defender in first half action.

SEMINOLES SCORE FIRST BUT LOSE TO TECH 17-3

Once again the Seminoles had a chance to beat their first Southeastern Conference opponent, but they couldn't score a touchdown. The place was Grant Field in Atlanta and the opponents were the Yellowjackets of Georgia Tech.

Oddly enough the Seminoles scored first on a 31 yard field goal by Johnny Sheppard. This marked the first time the Tribe had scored on the Techmen in four meetings and it also marked the first field goal in F.S.U.'s football history.

The Seminoles played hard all the way and Tech knew they were in a football game. The score at the half was 3-3. This moment of glory for the Tribe was short lived however, because Tech scored early in the second half to go ahead for keeps. F.S.U. had a chance to score when they recovered a fumble on the Tech 20, but they couldn't push it across.

Fred Pickard accounted for two-thirds of the Seminole rushing yardage with 49 yards gained from scrimmage. This was where the Tribe lost the game. They couldn't move the ball on the ground.

DEMON DEACONS UPSET! F.S.U. 27 WAKE FOREST 24

Florida State's scrappy Seminoles came from behind three times Saturday night to squeak past the 18th ranked Demon Deacons of Wake Forest, 27-24, before a record setting crowd of 19,700.

It was Vic Prinzi who led the Seminole attack by passing for two touchdowns and picking up two extra points by runs. Fred Pickard slammed through the line for 25 yards and another FSU score.

Coach Tom Nugent singled out Prinzi for individual praise. "In my opinion, Vic came into his own tonight. It was his greatest performance," said Nugent. Using a combination of rollouts and short passes, quarterback Prinzi directed the Tribe attack on touchdown marches of 58, 88, and 72 yards.

It's that man Renn again!

Seminole halfback Bobby Renn finds the going rough as he is brought down by a Georgia defender.

SEMINOLES FALL TO BULLDOGS IN GATOR BOWL 28-13

Florida State's hopes for their first victory over an SEC power, were squashed again by the Bulldogs from the University of Georgia.

Playing in Jacksonville's Gator Bowl before a crowd of 16,023, Georgia ground out a 28-13 victory over the Seminoles.

After spotting the Bulldogs a two touchdown lead at the half, FSU fought back twice to within one touchdown, but each time Georgia struck back to maintain their lead.

Vic Prinzi directed the Tribe attack and completed 11 of 20 passes for 150 yards. Fred Pickard led the FSU runners with 79 yards in 19 carries.

Tony Romeo caught five passes for a total of 103 yards and an outstanding night on the receiving end of Prinzi's throws.

The Seminoles didn't disappoint the fans in the Gator Bowl with their inspired play and they are looking forward to playing there again.

SEMINOLES STOP VPI IN THE RAIN

FSU 28 VPI 0

Florida State kept their perfect home record as they splashed and slipped by the Gobblers of VPI by the score of 28 to 0. It was a rainy afternoon and only eight thousand fans showed up to watch the Seminoles. The Tribe made them forget the rain in a hurry as they scored in eleven plays.

It was senior quarterback Vic Prinzi who directed the march down the field after the Seminoles took the opening kickoff to their own 26 yard line. Prinzi threw the slippery pigskin the final 8 yards to Jack Espenship for the score.

F.S.U.'s second score came like a bolt of lightning. It wasn't lightning though, it was Bobby Renn, who faked a punt on his own 28 and ran 72 yards for the score. Another Prinzi pass, and a sneak by Joe Majors accounted for all the Seminole scoring. The final score, a wet 28 to 0.

The Seminole faithful brave the storm.

IT HAPPENED!

F.S.U. 10 TENN. 0

"We did it and we're glad." This was the attitude of the Fighting Seminoles as they stepped off of the plane that Saturday night at the Tallahassee airport. Several thousand fans were on hand to greet the little band of warriors that only several hours earlier had defeated the once mighty Vols of Tennessee.

This was the first victory over an SEC school for the F.S.U. football team and it was a great victory. Freddy Pickard gained 133 yards from scrimmage, while the Tribe defense held the Tennessee single-wing attack to a mere 29 yards.

Florida State's first score came from the talented foot of Johnny Sheppard who kicked his second field goal of the year from the Tennessee 10 yard line. Bobby Renn scored the only touchdown of the game after Tony Romeo hauled in a Vic Prinzi aerial on the Tennessee one yard line.

This was a team victory for F.S.U. Everyone played great football, and the Tribe deserved to win because they outplayed and outfought Tennessee.

TRIBE DISPLAY'S POWER FOR HOMECOMING FSU 43 TAMPA 0

It took Florida State's Seminoles less than five minutes to show Tampa that Homecoming isn't the time to come to Tallahassee.

With a lopsided victory the Tribe stretched its string of wins to three. It was the Seminoles all the way as they walked over the Spartans by a 43-0 score.

Bobby Renn climaxed a 77-yard drive that started the first time the Seminoles got their hands on the ball. Featured in the drive were runs of 17 and 11 yards by Fred Pickard, plus runs by Renn of 11 and eight. Four plays later the Seminoles upped the score to a 14-0 count. A wild pitchout by Tampa's quarterback was recovered by Carl Meyer on the Spartan 15. Then Joe Majors hit end Bob Fountain in the end zone for the score.

From there on it became simply a case of how high the score would run. Bobby Renn broke the school scoring record by adding 12 points to his total.

Prinzi hands off to Renn in second-half action.

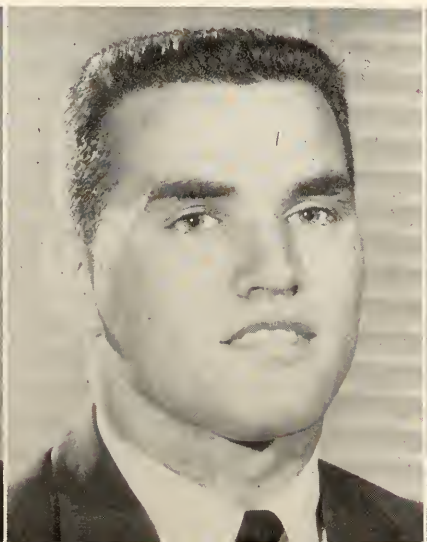
Terry Moran



Clare Bagnall

Bob Conrad

Sophomore Carl Meyer on his way to the first Seminole touchdown, as Ron Hinson clears his path.

MIAMI'S HURRICANE BLOWS OUT F.S.U. 17 MIAMI 6

The place was the Orange Bowl in Miami, Florida. The teams were the University of Miami and the Florida State University. This was an occasion. It marked the first time since the Seminoles have been playing the Miami Hurricanes that they were playing the role of the favorite.

The Seminoles held true to form and whipped the Hurricanes 17-6. This was the first time in F.S.U.'s football history that the Seminoles came out on top in this particular game. Sophomore halfback Carl Meyer had his finest hour in this game. He scored a touchdown, led the ground gainers, and to boot, he intercepted a pass.

It was said after the game that F.S.U. was lucky to win, but they weren't. They played hard and deserved to win. The Seminoles really played as a team. A team that wanted to win, and win they did! Miami had better beware, because the Seminoles have found that they can win and will be waiting for next year to try and prove it again.

Bud Whitehead, sophomore halfback, is stopped after a sizeable gain in the Orange Bowl.

F.S.U. three times!

Joe Majors rolls out of the famed "I" formation as Bob Conrad comes by for the hand-off.

WE LOST! FLORIDA 21 FSU 7

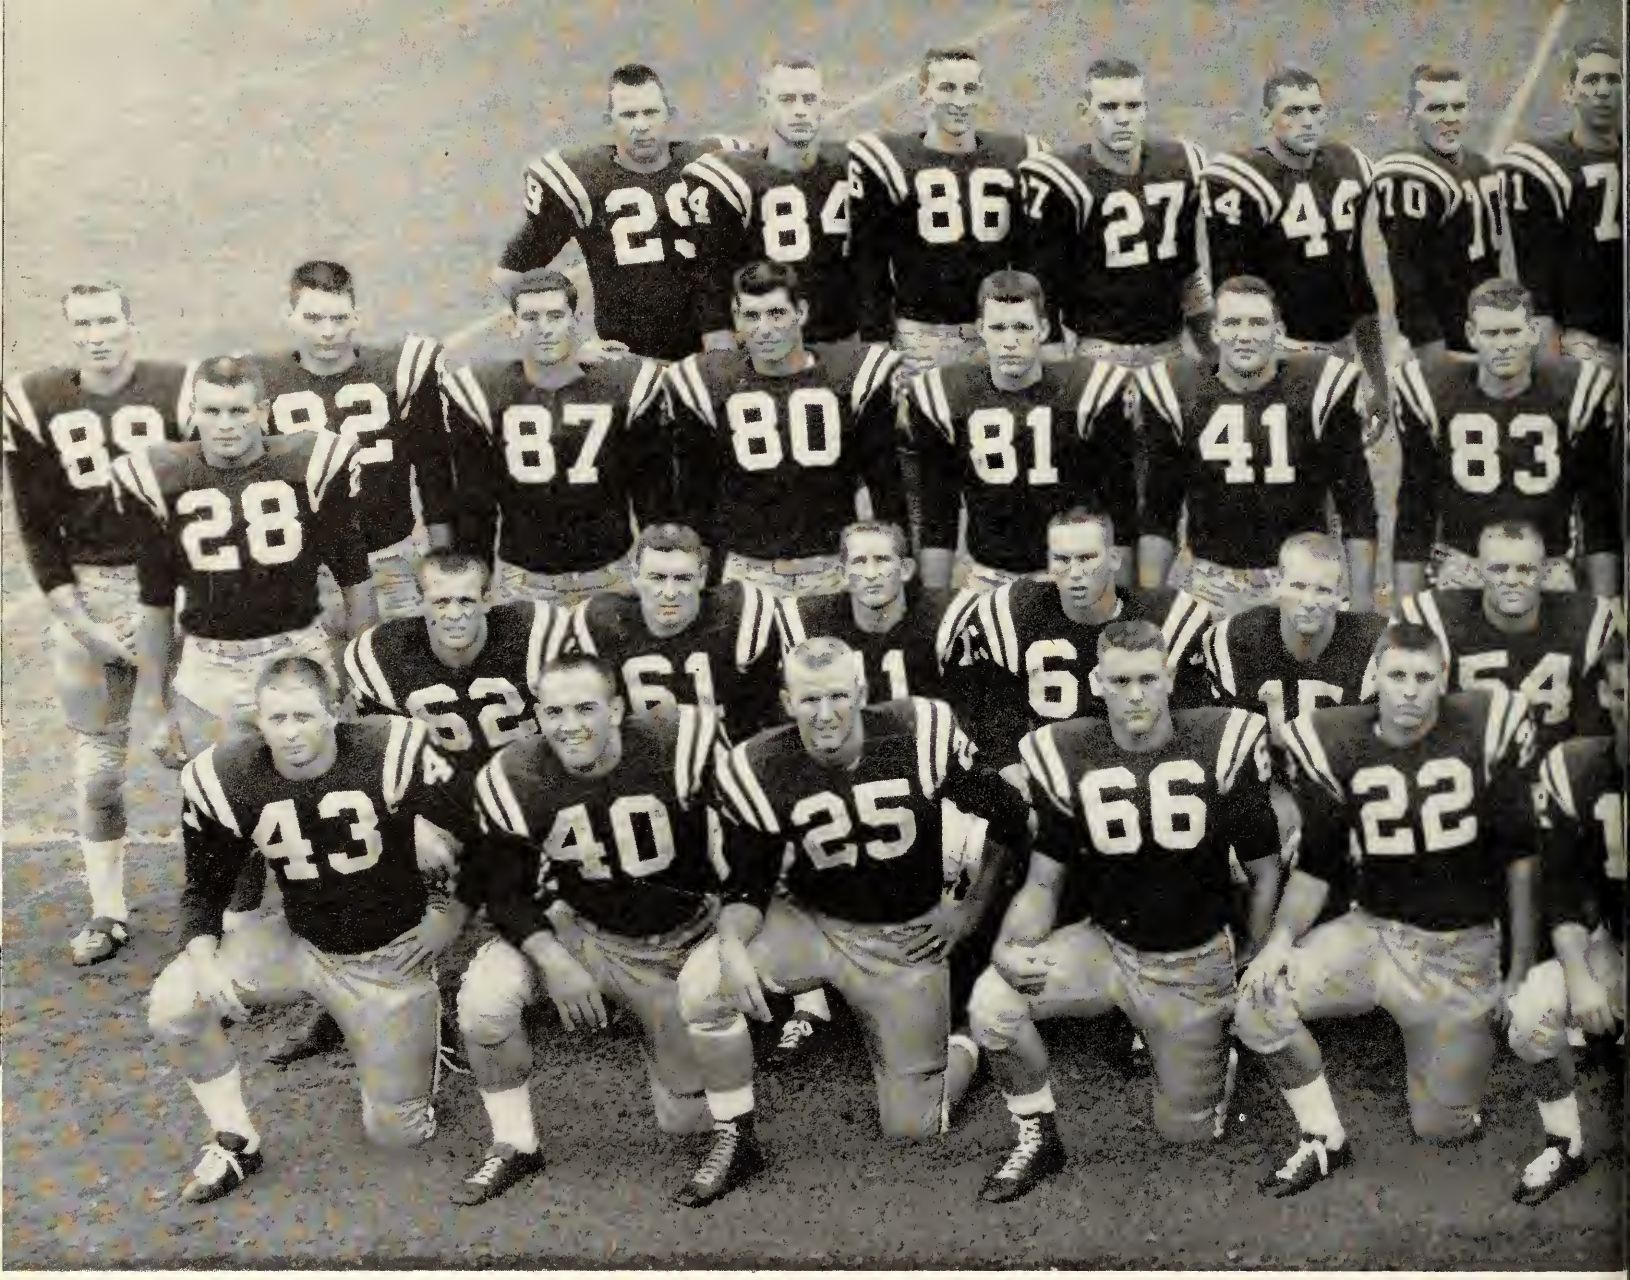
A dream come true! The scrappy Seminoles of Florida State finally got their chance to play ball with the big Gators from G-Ville. It took a legislative decree to get the game scheduled and contrary to pre-game opinion the Seminoles did not muff it.

Well, the Seminoles showed up, and they played a whale of a football game. Bobby Renn had the crowd on its feet by running back the opening kick-off 85 yards to the Gator 15 yard line. There he was pulled down from behind by Jimmy Dunn, the Gator signal-caller. This was to set the picture for the rest of the afternoon. F.S.U. scored the touchdown and made the point, but Jimmy Dunn had yet to get his hands on the ball.

He took over and beat the Seminoles with an almost one-man effort. Dunn ran, passed, and tackled to the amazement of everyone, including Tom Nugent.

F.S.U. had her heroes, too! Everyone who saw action for the Tribe put out to his utmost. Bobby Renn, Al Ulmer, and Vic Prinzi stood out perhaps a little more than the rest.

The Seminoles will meet the Gators again next year, but no one will forget the stubborn little band of Indians that came down from the North and showed everyone that they too, knew how to play football.



The 1958 Seminole

TRIBE LOSES BLUEGRASS BOWL

BOWS TO OKLAHOMA STATE IN COLD

The 1958 football season at FSU brought many surprises. Among them were a winning season, a victory over a Southeastern Conference opponent, a bowl game, and the loss of a colorful football coach.

Most of the so-called experts predicted that FSU would win only three football games in 1958. One even went so far as to say that the Tribe would be lucky to win one game. The Seminoles surprised everyone. Everyone, that is, except themselves. They had an inspired football team. A team that knew it could win even with the odds overwhelmingly against them. Someone had to inspire these men. Someone who knew them well. Someone who knew that they could win and that someone was Tom Nugent.

At the beginning of the year Coach Nugent and his staff were faced with a squad of young and inexperienced men, and a schedule that was the toughest in the school's history.

They worked hard in developing these men into a scrappy, aggressive, fighting football team that made its mark wherever they played. Tennessee will never forget the "breather" they had on the 1958 schedule, nor will the Florida rooters forget how tough the "Gator Bait" from Tallahassee proved to be. Florida State also has something which they will remember for a long time, The 1958 Fighting Seminoles and their coach, Tom Nugent.

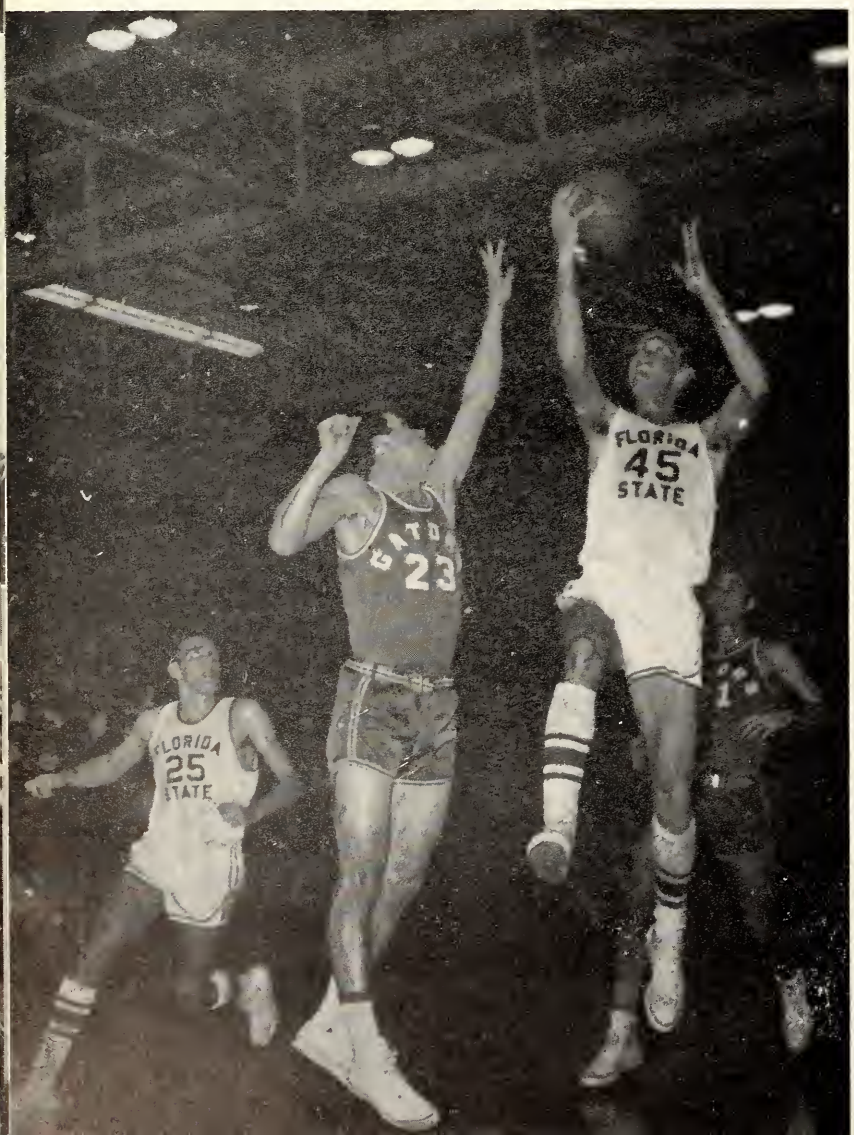
The 1958-59 Seminole Cagers

Jim Savage scores on a driving lay-up as Hugh Durham watches during the Florida game, from which the Seminoles emerged victorious.



ROAD JINX HAMPERS SEMINOLE CAGERS

An old foe again hampered the Seminole cagers this year, they couldn't win on the road. Coach Bud Kennedy had a promising team at the start of the year, and the Tribe looked good in defeat against the Kentucky Wildcats in the opening game of the year at Lexington, Kentucky.

Captain Hugh Durham and his running mate at guard, Don Bates, kept the Seminoles above the .500 mark for the first half of the season. The Tribe's opponents improved during the second half of the season and the Tribe did not. They could not win on the road and this meant a losing season for the Seminoles. They ended up the year with an 8-15 record.

The prospects for next year's quintet look fairly good, but only time will tell. Coach Kennedy will lose four key men from this years' squad. Captain and high scorer Hugh Durham will be sorely missed by the Seminoles. Other graduating seniors are Joe Williams, Dan Boltz, and Jim Litkey. Back in the fold will be the Seminole's second highest pointmaker this year, Don Bates. Backing him up will be Jim Savage and Charlie Tinsley.

As in the past the Seminoles will be lacking a good big man, but Coach Kennedy is known for his recruiting of Junior College talent. We will have to wait and see what he comes up with.

The 1958-59 Gym Team.

GYMNASTS COP SOUTHEASTERN INTERCOLLEGIATES

Again this year, as in the past, the FSU Gym team was in the national spotlight. Without a doubt, they are the top in the South. They gained national prominence at the N.C.A.A. meet in Berkeley, California, in March.

Coach Jack Miles had many veterans on his star-studded squad. National free exercise champion, Chic Cicio, was the team's top point man. Jack Ryder gained national recognition on the trampoline. Fernando Lecouna, Roger Webb, and Bill Beavers, also added many points this year.

In addition to the Southeastern Intercollegiates, the gymnasts were undefeated in dual meets. They won the Florida A.A.U. crown. The gym team gave FSU national acclaim at the A.A.U. meet by again placing near the top.

Seniors Jerry Glency, Paul Hammond, Jim Wentworth, Howey Fillmore, Lenny Koeth, and Glenn Thatcher.

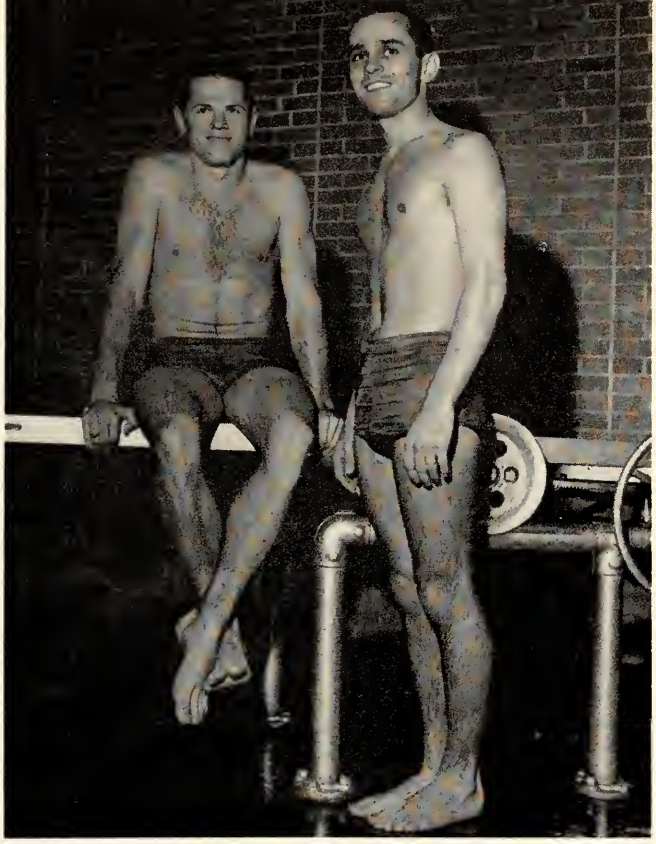
FLORIDA A.A.U'S, GEORGIA A.A.U'S, AND FLORIDA

Coach Bim Stult's Seminole swimmers continued their winning ways during the 1958-1959 campaign. They started the year off on the right foot by copping both the Georgia and Florida A.A.U. titles. Stults had a squad which possessed great depth and strength. Highlights of the year perhaps were the two victories over the Florida Gators.

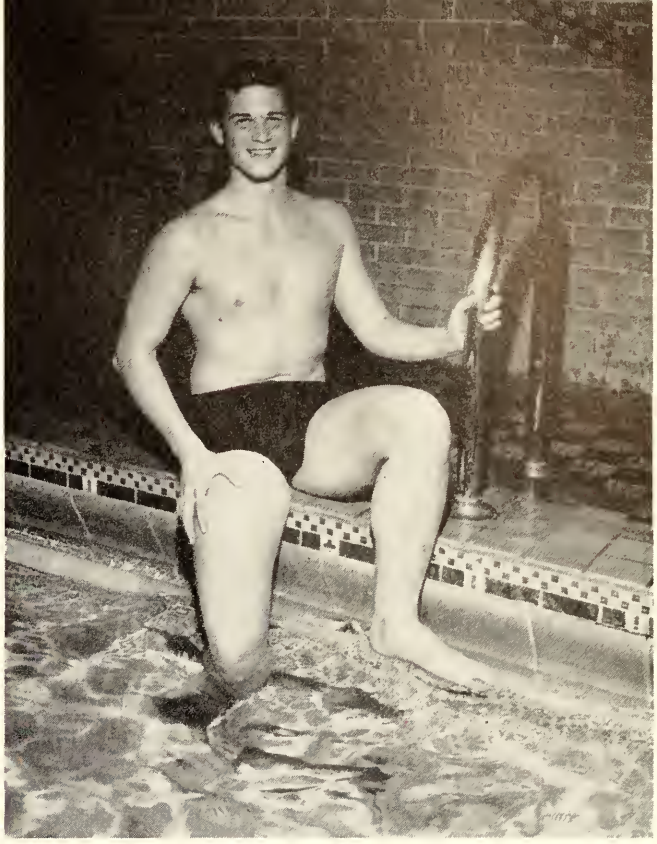
During the season, many records were broken and new ones set. Buck Hiles and Jerry Glancy led the parade of record breakers. Hiles is a top prospect for All-American honors this year.

Between semesters, the team made a trip to Texas where they swam against S.M.U., Texas Christian, and

Bucky Hiles, Paul Hammond, Glenn Thatcher, and Jerry Glancy.



Bob Weber and Bill Simpson.



Chic Belden, freshman.

INTERCOLLEGIATES AMONG TANKERS MANY VICTORIES

Texas. The Southwestern schools gave the Seminoles stiff competition and they dropped two out of the three meets. These were the only two defeats for Coach Stults and his men during the year.

Even though the team will be without such men as Jerry Glancy, Glenn Thatcher, Jim Wentworth, and Paul Hammond, the prospects for next year are very good. A talented freshman aggregation led by Chick Belden and Denny Flandreau will help fill in the gaps. The outlook is bright, and it looks like Bim Stults and the Seminole Tankers will have another winning year.

Freshmen all are Glenn Mitchell, Chic Belden, Paul Thompson, and Bob Abstein.

Baseball

SPRING SPORTS

Track

Due to changes in publishing contracts, we regret that we are unable to include the Spring Sports for 1959 in this year's book. These sports will be included in next years annual and this method will be followed from here on. This was a transition year for the Tally-Ho and next year the results of the change will be seen.

With the deadline drawing near there was little information available on the Spring Sports program here at FSU. The baseball team under the able direction of Danny Litwhiler seemed almost a sure bet to reach the College World Series for the third straight year.

The Track Team in an early season meet with Miami showed an amazing amount of talent. Many of last years top men are gone, but Coach Mike Long has an abundant number of talented Juniors and Sophomores on this years' squad. Heading the list is Ted Keen an all around performer from Atlanta, Georgia.

FSU's new tennis coach, John Powless, is blessed with four experienced players to fill the top four positions on his squad. Lex Hester, Rebal Bellamy, Fred Serrett, and Jackie Crew make up the nucleus of this years team which faces the toughest tennis schedule in FSU's history.

Headed by all-American senior, Bob Shave, Bill Odeneal's golfers opened the season by defeating Florida. Sophomores Downing Gray and Frank Malara together with co-captain Mel Fleischer make the outlook for the Golfers look very good.

Tennis

Golf

SCALP EM! SCALP EM! CHEERLEADERS ADD SPIRIT

"Scalp 'em! Scalp 'em!" Was a favorite saying this year for the spirited Florida State cheerleaders as they boosted the morale of the student body and led the team on through a successful year.

Special effort was made on the part of the cheerleaders to attend our out-of-town games since the funds were low. They made souvenir headdresses to sell at the Homecoming Game which proved to be a very successful project and enabled all of the group to attend games away from Tallahassee — specifically the Miami game. Other games attended were the Georgia Tech, Florida, Tennessee, and the new Blue Grass Bowl in Louisville. Cheering seemed almost hopeless at times since distance kept many FSU fans at home by the radio. However, they were not dampened by the lack of supporters and their efforts were untiring and rewarding.

The last game brought the football season to an exciting end as the cheerleaders decorated the whole city in garnet and gold with pictures of the team in all the shop windows. This time the team was well supported by train and plane loads of rowdy yet freezing fans.

During basketball season the cheerleaders had an attractive addition to the squad in the form of a mascot. Little Sandy Montgomery came in as entertainment and to do some rooting of her own. Because of lack of space in the gym the cheerleaders alternated attending the games by one half going every other week.

Martha Douglas in action at the Furman game.

Led by Dick Ainsworth the 1958-59 cheerleaders can be proud of their vigorous efforts. They are: Linda Gormley, Martha Douglas, Maralyn Teare, Judy Turner, Barbara Walker, Ralph Russell, Ray Smith, Ronnie Davis, and Scott Schanzenbach.

The joy of victory is shared by all!

Men's Intramurals

Florida State has one of the most complete intramural programs of any school. Intramural Director Keith Pitchford has done much in keeping the program at this level. Both fraternities and independent groups have a chance to compete in all major and most minor sports. Each group is represented on the Men's Intramural Board whose president is Bob Moren.

The program is set up so that there are two leagues. A fraternity league and a dorm-independent league. Events are played on a round robin type basis and the champions in each league playoff after each sport is completed to determine the campus champion.

Bob Moren, president of the Men's Intramural Board

The standings at the time of the printing of the yearbook are

DORM-INDEPENDENT	FRATERNITY
1. Newman Club	Sigma Alpha Epsilon
2. "400" Club	Phi Delta Theta
3. Magnolia Hall	Sigma Nu
4. Playboys	Sigma Chi
5. Penthouse	Pi Kappa Alpha
6. Baptist Student House	Kappa Alpha

This does not include all the spring sports, nor do the standings include all the teams.

Retrospect

In Retrospect . . .

Long-awaited sheepskins come to hand at last as graduating Seniors line up for the conferring of degrees in Campbell Stadium.

Thoughts — the things we did, the things we didn't do — wistful, regretful, appreciative, chucklesome — flash through the minds of Seniors awaiting their degrees with uncertainty and elation. The awe and total bewilderment in the cavernous maze of your first registration; the spontaneous unifying spirit that electrifies a crowd; the quiet pride of accomplishment as a chaos of mathematical symbols becomes a logical statement; the sparkling intensity of cool sunlight dancing over rain washed walks and slanted eaves; these are the scenes remembered in retrospect.

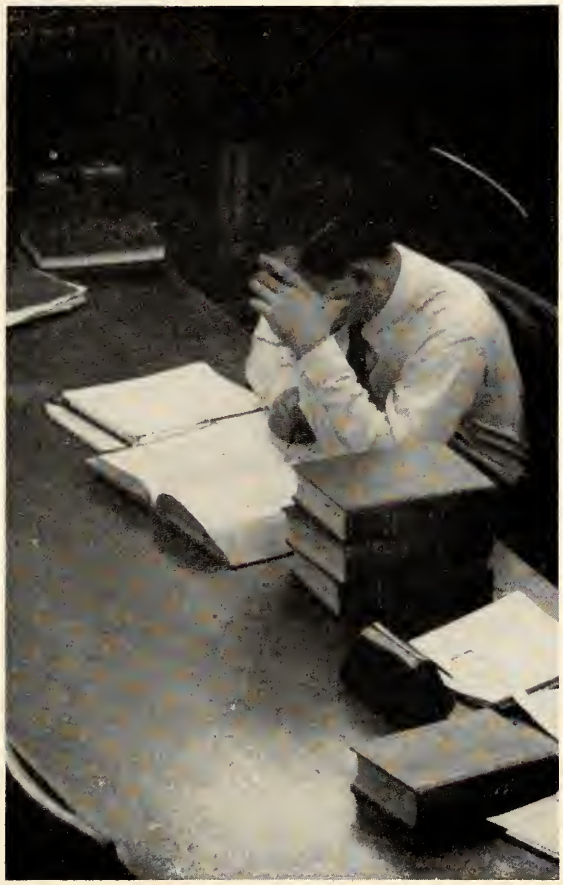
Game, but obviously fighting a losing battle, two "rats" struggle through a labyrinth of forms during registration.

the people,

the place,

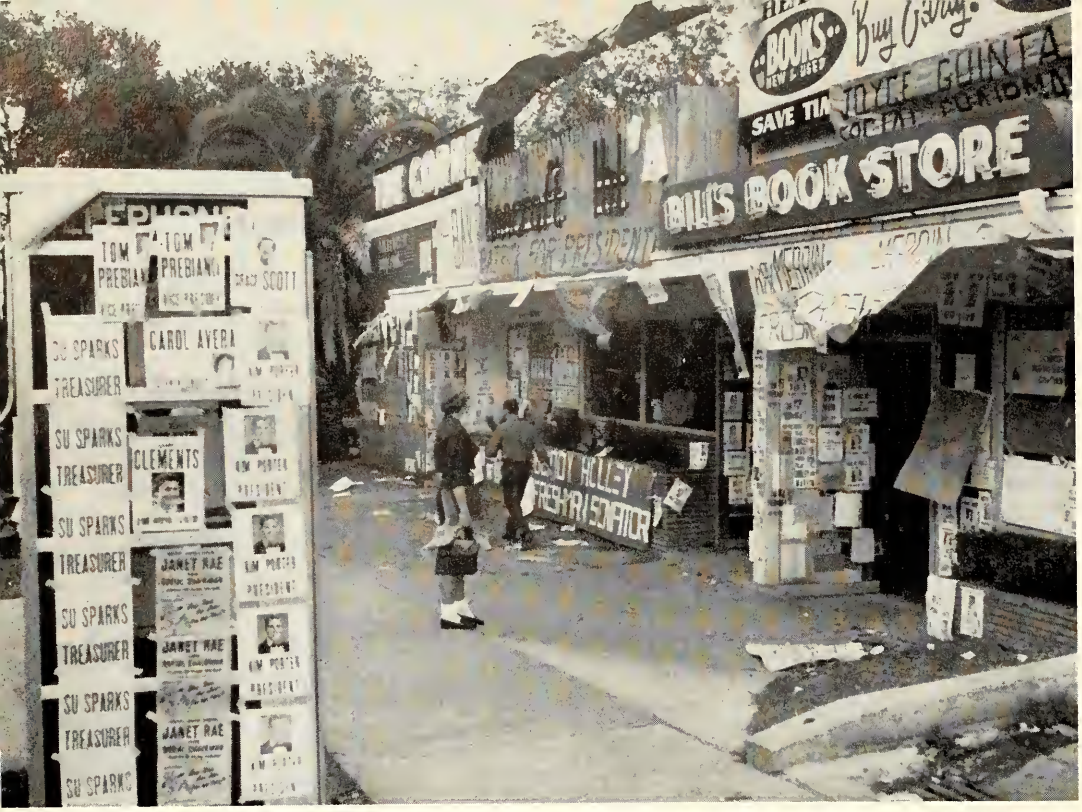
the things we did . .

Grinning in amazement at their mass reception, the football team deplanes after their triumph over Tennessee.



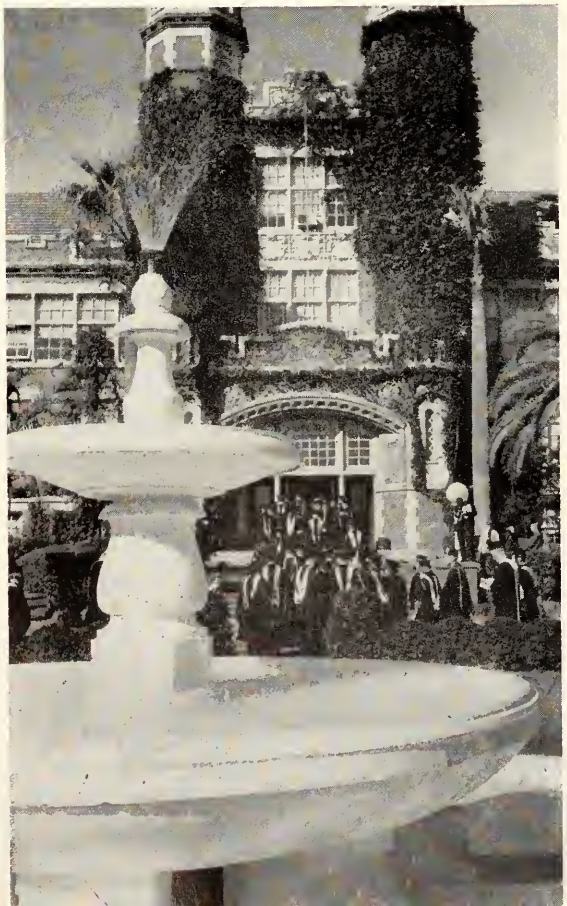
Solitude and a sense of accomplishment mark the long evening study periods before midterms and finals.

Deserted pathways near the Longmire Building indicate that morning classes are in full swing.



It pays to advertise! Getting there "fastest with the mostest" seems to be the campaign philosophy of FSU politicians.

Between-class breaks provide a few minutes for cokes, chatter and comparing assignments in the patio of the Home Economics Building.



Hallmark of the University, Westcott Fountain has greeted students and visitors to the campus for over forty years.

Impressions

Groggily issued "hello's" in the early morning mist . . . screaming and enthusiastic voices that filled the gym . . . empty coffee cups and hastily put out cigarettes at the Corner . . . raincoats grabbed at ten o'clock but superfluous at eleven . . ."Sagebrush Gulch" at the drive-in and cokes at the Dixieland . . . sleepy Sunday afternoons punctuated by bridge games, coffee breaks and math problems . . . the hush that preluded Artist Series presentations . . . the tingly excitement of conventions and elections . . . dirty tennis shoes, lost scotch tape and paint-smeared hands that accompanied Homecoming preparations . . . unfinished term papers, unmade beds and half-packed suitcases . . . the melancholy but confident, hopeful faces that leave FSU for the last time

Early autumn brings to Tallahassee the too-familiar and too-sudden cloudbursts, always neatly timed to catch unwary students on their way to class.

Classic lines of the Library framed by dogwood blossoms symbolize the university idea — an admiration for the functional harmonizing with an appreciation of the beautiful.
